VENEREAL COMPLAINTS.

S Dr. WARNER's practice has been very A extensive hat a in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of tim:.—As there are persons from various causes cann it personably apply, it may be necassary to inform them, they may be releived from a description of their complaint.

Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their. medicines so prepared, that a safe, effectual and expertitious cure may be effected, without the least restriction in drink or diet.

It is supposed she went off with a German, a butcher. She arrived in this country, with her father, from Wirtemburg about a year since—his name is Jucob Wiebert, and he is, by profession, a gandener.
