ROBBERY.

ON Monday night, my house, *Cross-Keys*, 55, North Gay-street, was entered between the hours of 8 and 9, by some daring villain, who ascended into the bed chambers of the third story, and robbed a bed of the following articles, viz. A quilted Counterpane, a pair of blankets, a pair of fine muslin Sheets, a light-olive colored bearskin great Coat, in one of the pockets of which was incautiously left, a red Morocco Pocket-Book, containing, among other papers, notes to the amount of \$55.—The person who may discover the thief, or thieves, shall on conviction, receive all the money recovered and FIVE DOLLARS, as an additional reward.

VENEREAL COMPLAINTS.

AS Dr. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.—As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint. Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared, that a safe, efficient and expeditious cure may be effected, without the least restriction in drink or diet.

N. B. Dr. Warner has removed to the corner Calvert and Bank streets.

Hannah Wiebert,

AN INDENTED GERMAN SERVANT **WOMAN**, ran away from the subscriber about the first of September last. She is between 18 and 20 years of age; and is about the common size—of somewhat clumsy form, with a little of a bend about the neck and shoulders. She has a down look—has little hair, which is of a light color—her complexion fair, with rather a mixture of salowness. Her head and face flat, the latter of which, when she is at work, she is in the habit of twisting in a variety of ugly shapes. She took with her, a dark calico gown, and several cotton striped dresses, and a Leghorn bonnet trimmed with black. It is supposed she went off with a German, a butcher from Wirttemberg about a year since—his name is *Jacob Wiebert*, and he is, by profession, a peddler. Since her flight he left the city, and no doubt, has now with her. She could speak some little English, but her father could not. A **REWARD** of **TEN DOLLARS** will be paid by the subscriber, if said run-away is secured so as he can get her again. **W. PECHIN.** d
