VENEREAL COMPLAINTS. AS Dr. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vendible or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, may, in the shortest possible space of time—As there are persons from various countries and personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint. Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared, that a safe, efficient and expeditious cure may be effected, without the least restriction in drink or diet.

Dr. W. De Warner has removed to the corner Calvert and Bank streets.

### Hannah Wiebert,

AN INDENTED GERMAN SERVANT A WOMAN, ran away from the subscriber about the first of September last. She is about 18 and 20 years of age; and is about the common size—of somewhat clumsy form, with a little of a bend about the neck and shoulders. She has a down look—has little hair, which is of a light color—her complexion fair, with rather a mixture of sallowness. Her head and face flat, the latter of which, when she is at work, she is in the habit of twisting in a variety of ugly shapes.

She took with her, a dark calico gown, and several cotton striped dresses, and a Leghorn Bonnet trimmed with black.

It is supposed she went off with a German, a butcher. She arrived in this country, with her father, from Württemberg, about a year since—his name is Jacob Wiebert, and he is, by profession, a gardener. Since her flight he left the city, and, no doubt, he is now with her. She could speak some little English, but her father could not.

A REWARD OF

TEN DOLLARS

Will be paid by the subscriber, if said runaway is secured so as he can get her again.

French Night School. NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but as to promise to do wonders in the half of my pupils—I have no need, it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies & Gentlemen of America, during more than 45 years; I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.

JOSEPH PAILLOTTEE.

N. B. Private tuition, any hour during the day, so as to accommodate the different scholars who may apply.

RAN AWAY from the subscriber, about the 20th of November last, an apprentice to the Cabinet-Making business, named JAMES GRIFFIN. He is about 18 years of age, 5 feet 4 inches high, of stout make, with sandy colored hair, and much freckled. His clothing cannot be particularly described, but his mode of dressing was plain and tidy; and as he was in possession of a brown coating watch coat, it is probably he wears that to accommodate himself to the season. As, for some time past, he has expressed a desire of visiting Cincinnati, in the Western country, to follow certain of his friends who have lately migrated from hence to said quarter, it is thought highly probable he has bent his course that way. The above reward will be paid if taken out of the state, and if within the state, thirty dollars will be paid. And in both cases all reasonable charges. WILLIAM CAMP, Baltimore, Water-street. December
