VENEREAL COMPLAINTS. S Dr. WARNER's practice has been very A extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.—. As there are persons from various causes cannot personably apply, it may be necessary to inform them, they may be releived from a description of their complaint.

Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared, that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.

N. B. Dr. Warner has removed to the corner Calvert and Bank-streets.

Her head and face flat, the latter of which, when she is at work, she is in the habit of twisting in a

variety of ugly shapes. Si'e took with her, a dark calico gown, and several cotton striped dresses, and a Leghorn bonnet trim'd with black.

It is supposed she went off with a German, a butcher. She arrived in this country, with her father, from Wirtemburg about a year since—his name is Jacob Wiebert, and he is, by profession, a gardener. Since her flight he left the city, and, no doubt, he is now with her. She could speak some little English, but her father could DOL A REWARD OF
