TO-BE SEEN
Two Dromedaries,
FROM ARABIA.
THESE are the first of the species ever imported into this country. The value of them is such, that the Arabian, possessed of his Dromedary, has nothing either to want or to fear. They will travel at the rate of a hundred miles in a day, 5 or 6 days together, without either eating or drinking. They are part like the horse, cow, sheep, and the rabbit and are the most docile animal in the world. They kneel down, take on their load, and wait the pleasure of their keeper to rise. They arrive at their full growth at 6 years old, which is about 20 hands high, and live to the age of 40 or 50 years. The oldest of the above is forty years, and the youngest 17 months.
These astonishing Animals are to be seen at No. 36, opposite the lower Marsh-market. It is to be hoped the Ladies and Gentlemen of Baltimore will not lose this favourable opportunity which may be the only one (at least for many years) of viewing these surprising animals, so much spoken of by naturalists and Historians.
Admittance 25 cents, children half price.

A MODEL
OF THE CITY OF JERUSALEM.
A. TUCKER.
RESPECTFULLY returns his thanks to the Ladies and Gentlemen of Baltimore, for the flattering encouragement he has received since the opening of the exhibition of the Model of the City of Jerusalem. And begs leave to acquaint them that he is now waiting for the River to open, when that most valuable of all exhibitions in the world, will be removed. This Model is laid out on a scale 16 feet by 9, agreeable to the Map of Josephus, all in Wood on Buildings, after the Gothic style, together with Solomon's Rich and Elegant Temple. As this work has been published in none of the papers in Baltimore inferior to none in this city, it is deemed unnecessary to give a further description of this master piece of workmanship. I can therefore with confidence invite all to view it and attend his lectures—as it never fails to afford universal satisfaction to all classes of people who attend.
As money is not the only object, his Admittance is only 25 cents for Ladies and Gentlemen. Half price for Children.
N. B. He has removed to the house of Mrs. Mitchell, No. 7, Market space, where his Admittance is held and convenient, through an entry for Ladies and Gentlemen.
All favours gratefully received.

VENERAL COMPLAINTS.
AS Dr. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.—As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.
Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared, that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.
N. B. Dr. Warner has removed to the corner Calvert and Bank streets.

Hannah Wiebert,
AN INDENTED GERMAN SERVANT about the first of September last. She is between 18 and 20 years of age; and is about the common size—of somewhat clumsy form, with a little of a bend about the neck and shoulders. She has a down look—has little hair, which is of a light color—her complexion fair, with rather a mixture of salowness. Her head and face flat, the latter of which, when she is at work, she is in the habit of twisting in a variety of ugly shapes.
She took with her, a dark calico gown, and several cotton striped dresses, and a Leghorn bonnet trim'd with black.
It is supposed she went off with a German, a butcher. She arrived in this country, with her father, from Wirtemberg about a year since—his name is Jacob Wiebert, and he is, by profession, a gardener. Since her flight he left the city, and, no doubt, he is now with her. She could speak some little English, but her father could not. A REWARD of
TEN DOLLARS
Will be paid by the subscriber, if said run-away is secured so as he can get her again.

French Night School.
NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but as to promise to do wonders in behalf of my pupils—I have none, it suffices to tell them that no language can be learned without grammatical rules, even as far as translations; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language.—Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies & Gentlemen of America, during more than 45 years, I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.
JOSEPH FAILLOTTE
N. B. Private tuition, any hour during the day, so as to accommodate the different scholars who may apply.

A Stray Negro Child
CAME to the House, No. 3, second door from the corner of Granby and Great George-street, on Tuesday last, a smart likely Negro Girl, apparently between 6 and 7 years of age; she calls herself SUSAN, and says she belongs to a Mrs. Johnson in Howard-street. She has been sent by an intelligent hand to find her house, but to no purpose, she appears to be an artful little hussey, and by no means willing to leave her present residence. Whoever has lost a little Negro Girl, it is expected they will call and identify her, pay charges and take her away.

He is about 14 years of age, 5 feet 4 inches high, of stout make, with sandy colored hair, and much freckled. His clothing cannot be particularly described, but his mode of dressing was plain and tidy; and as he was in possession of a brown coating watch coat, it is probable he wears that to accommodate himself to the season. As, for some time past, he has expressed a desire of visiting Cincinnati, in the Western country, to follow certain of his friends who have lately migrated from hence to said quarter, it is thought highly probable he has bent his course that way. The above reward will be paid if taken out of the state, and if within the state, thirty dollars will be paid. And in both cases all reasonable charges.
