To the Voters
Of the City and County of Baltimore.
GENTLEMEN,
BEING solicited by many friends, both in the city and county, to offer myself a candidate for the Office of **SHERIFF**. I have taken the liberty of soliciting your suffrages at the ensuing election, as I conceive myself qualified (from long experience as assistant to the present and two preceding sheriffs) to discharge the important duties attached to that office.—My engagements will continue to prevent a personal application to each individual, whose approbation, an ambitious to possess; but if correctness, diligence, and every degree of humanity, consistent with the interest due to an indulgent public, are becoming requisites—I hope the want of a personal interview will be no material objection against me.
 Public's humble servant,
JOHN HUNTER.

VENERABLE COMPLAINTS.
AS DR. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.—As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.
 Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared, that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.
 N. B. Dr. Warner has removed to the corner Calvert and Bank streets.

To Merchants.
A PERSON who has had experience in a business, offers his services as SUPER-CARGO on moderate terms. He has already acted in the double capacity of supercargo and part owner, can speak French, and believes himself competent to the office he solicits.—References can be made to gentlemen of respectability for further information.
 A line directed to P. W. and left with the printers will be promptly attended to.

If the said Tortoise-Shell, should be offered for sale to any of the Comb-Makers or others, they will confer a lasting obligation on the subscriber by stopping the same.
