VENEREAL COMPLAINTS. S Dr. WARNER's practice has been very A extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in .. Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages, and debility thereof, from various causes and accidents, removed in the shortest possible space of time. --- As there are persons from various causes cannot personably apply, it may be necessary to inform them, they may be releived

from a description of their complaint. Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared, that a safe, effectual and expeditious cure may be effected, without the

least restriction in drink or diet. N. B. Dr. Warner has removed to the coruer Calvert and Bank streets.
