TO BE SEEN Dromedaries, FROM ARABIA.

HESE are the first of the species ever imthem is such, that the Arabian, possessed of his Dromedary, has nothing either to want or to fear. They will travel at the rate of a hun- this 27th of January, 1806. dred miles in a day, 5 or 6 days together, without either eating or drinking. They are part like the horse, cow, sheep, and the rabit and are the most decile animal in the world They kneel down, take on their load, and wait the pleasure of their keeper to rise. They arrive at their full growth at 6 years old, which is about 20 hands high, and live to the age of 40 or 50 years. The oldest of the above is forty years, and the youngest 17 months.

These astonishing Animals are to be seen at No.36, opposite the lower Marsh-market It is to be hoped the Ladies and Gentlemen of Baltimore will not loose this favourable opportunity which may be the only one (at least for many years) of viewing these surprising aniimals, so much spoken of by naturalists and Historians.

VENEREAL COMPLAINTS.

S Dr. WARNER's practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.—As there are persons from various causes cannot personably apply, it may be necessary to inform them, they may be releived from a description of their complaint.

Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared, that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.

N. B. Dr. Warner has removed to the coruer Calvert and Bank-streets.
