French Night School.

NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL, in my common dwelling, between Light-street and Charles-street; but as to promise to do wonders in the half of my pupils—I have no need, it suffices to tell them that no language can be learned without grammatical rules, even as far as translations, the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies & Gentlemen of America, during more than 45 years; I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.
JOSEPH PAILLOTTE.
N. B. Private tuition, any hour during the day, so as to accommodate the different scholars who may apply.
