WE, the subscribers, of the city of Baltimore, do hereby certify, that Mr. William Merryman has acted towards us, as his creditors, in an honorable and upright manner—and has settled with us, we believe, to the utmost of his ability, and much to our satisfaction.
We are convinced his failure in business proceeded not from his own misconduct, but from those misfortunes incident to trade.
And further, after the insolvent act was passed in his favor, he shewed no disposition to use it to our injury, but made us, his creditors, such liberal propositions as to convince us of his correct intentions towards us.

GENTLEMEN,
BEING solicited by many friends, both in the city and county, to offer myself a candidate for the Office of SHERIFF, I have taken the liberty of soliciting your suffrages at the ensuing election, as I conceive myself qualified (from long experience as assistant to the present and two preceding sheriffs) to discharge the important duties attached to that office.—My engagements will continue to prevent a personal application to each individual, whose approbation I am ambitious to possess; but if correctness, diligence, and every degree of humanity, consist with the interest due to an indulgent public, are becoming requisites—I hope the want of a personal interview will be no material objection against me.

VENEREAL COMPLAINTS.
AS Dr. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.—As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.
Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines so prepared, that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.
N. B. Dr. Warner has removed to the corner Calvert and Bank streets.

NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but as to promise to do wonders in be half of my pupils—I have no need, it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies & Gentlemen of America, during more than 45 years; I ought to be a competent judge.—I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.
