## Valuable Property for sale.

XX7 II.I. be sold at public sale on the premises, on THURSDAY, the first day of May, if fair, if not the next fair day, at ten o'clock, two TRACTS of LAND, 4 1.2 miles from the city of Baltimore, on a north direction, one mile from Goven's-town, and divided by the same road that divides the country seats of Gen. S Smth, and that of Thos. M'Elderry, Esq —One containing 116 1-3 acres of good land, well improved, and nearly all under good fence—one half in wood. The other contains 67 1-4 acres of tillable land, one half in young thriving wood-about 50 acres under a good fence—each tract has a bearing apple & peach orchard, and well watered by good springsand as pretty and good neighborhood as any about Baltimore. It is needless to say much about the value of this property, as I expect the purchaser will view it himself, which will be shewn by the subscriber, living on the premises. The terms of sale will be accommodating to a good purchaser, and an indisputable title will be given when the whole of the purchase money is paid. For Sale,

A very valuable TRACT of LAND, in Baltimore county, within 11 1-2 miles of the city of Baltimore, containing 640 acres, seated on a branch of Middle River, which empties into, and is within about 5 miles of the Chesupeake Bay. There are about 40 acres of this land cleared, the residue, about 600 acres, abounds with valuable timber, calculated for every useful purpose, such as ship-building, staves, &c. The soil is calculated to raise every species of country produce, but it is more particularly udapted for an extensive grazing farm, as more than one half may be made choice meadow. The river, an which this land is seated, is navigable for vessels drawing about 8 feet water, and abounds with the best fish, with which our markets are supplied, and there ed for sale in the state, that enjoys more real advantages than this; its continuity to the city of Baltimore, which is confessedly the best market on the continent, and the advantage of water carriage for ship timber, staves, tan-bark and fire wood, which is always in dentand, and bears a flattering price, are objects worthy the attention of any person wanting to purchase such a place. A part of the purchase money will be required down, and a pleasing credit given for the balance. For further particulars enquire in Baltimore, to
