course of two and a half hours, at any rate, in the course of the same day. A stage with the Eastern Shore of Maryland and Delaware mails, will leave Annapolis on Wednesdays and Fridays, and arrive at Wash-

ington and George Town on the same days. The stage will leave M'Laughlin's Hotel, in George Town; and Stelle's in Washington, on every Thursday and Sunday, at 5 o'clock A. M.

and arrive at Annapolis on the same days. A packet will leave Annapolis on Mondays and Fridays, at 8 o'clock A. M. and arrive at Rock Hall on the same days, in time for the stage to proceed on to Chester Town on the

same evenings.

The stage will leave Chester Town on Tuesdays and Saturdays at 5 o'clock A. M. and arrive at Wilmington on the same days; from whence a stag e runs to Philadelphia every day. One of the subscribers, likewise begs leave to inform the public that he is now established at the antient and well known ferry, Rock Hall and thas provded good, safe, and commodious, packets, fitted up in the neatest manner for the accommodation of passengers: that a large and comfortable packet will leave Rock Hall, for Baltimore (on the same days that the mail crosses to Annipolis) at 9 o'clock A. M. and will leave Baltimore, from the lower end o Bowly's wharf, on Wednesdays and Saturdays at 9 o'clock A. M. fer Rock Hall. Each of the above packets are well calculated for the conveyance of horses and carriages. Horses and carriages will always be in readiness for the conveyance of passengers on their arrival at Rock Hall, to whatever place they may wish to proceed, in any neighboring part of-the country, or to Chester Town, from whence they may be conveyed to the northward or southward, by the regular line of stages, and that the Annapolis packet will leave Annapolis on Wednesdays for Rock Hall, and will leave Rock Hall on Sundays for Annapolis, besides the regular day of carrying the mails, as above mentioned. He also flatters himself, that from his experience in maritime pursuits, and the confidence placed in him by many of the most respectable merchants in Baltimore, whilst following the sea faring life, that he has a competent knowledge to keep his boats in good order, for the comfort and convenience of passengers, and that he shall merit the patronage of a generous public, which he hereby respectful-

ly solicits. It is unnecessary to make any comments on the advantages, which entitles this route to a preference, to that round the waters of the Chesapeake Bay. This affords a safe dry road, through a beautiful, level, and fertile country from the Delaware state, to the seat of government, whilst the other presents one continual scene of hills and valleys, generally filled with water and mire. Travellers on this route, will not only derive advantage from good roads, shortening the distance, and incurring less expence, but will avoid the danger of injuring their health, by not being exposed to travelling by night.
