French Night School.
NOTICE is hereby given, that I the sub-
 scriber, Teacher and Translator of the
 French & English Tongues, have resumed the
 FRENCH NIGHT SCHOOL in my common
 dwelling, between Light-street and Charles-
 street; but as I promise to do wonders in the
 teaching of my pupils—I have no need, it suffices to
 tell them that no language can be learned with-
 out grammatical rules, even as far as translation,
 the master and scholars must take a great deal
 of pains; also, that every person is not capable
 to learn a foreign language. Those impar-
 tial judges who know me will certainly agree, that
 after having taught the French language to the
 most respected Ladies & Gentlemen of Ame-
 rica, during more than 45 years; I ought to be
 a competent judge. I would advise those pro-
 mising youths who will favor me with encou-
 ragement, to apply as soon as possible, so that
 they may get some benefit of their studies by
 the 15th of March.

For Sale,
A very valuable TRACT of LAND, in Bal-
 timore county, within 11 1/2 miles of the city of
 Baltimore, containing 640 acres, seated on a
 branch of Middle River, which empties into, and
 is within about 5 miles of the Chesapeake Bay.
 There are about 40 acres of this land cleared, the
 residue, about 600 acres, abounds with valuable
 timber, calculated for every useful purpose, such
 as ship-building, staves, &c. The soil is calcu-
 lated to raise every species of country produce, but
 it is more particularly adapted for an extensive
 grazing farm, as more than one half may be
 made choice meadow. The river, on which this
 land is seated, is navigable for vessels drawing
 about 8 feet water, and abounds with the best
 fish, with which our markets are supplied, and there
 is, perhaps, at this time, a tract of land offer-
 ed for sale in the state, that enjoys more real ad-
 vantages than this; its contiguity to the city of
 Baltimore, which is confessedly the best market on
 the continent, and the advantage of water carriage
 for ship timber, staves, tar-bark and fire wood,
 which is always in demand, and bears a fluctuating
 price, are objects worthy the attention of any per-
 son wanting to purchase such a place. A part of
 the purchase money will be required down, and
 a pleasing credit given for the balance. For fur-
 ther particulars apply in Baltimore, to
