To the Voters

Of the City and County of Baltimore.

GENTLEMEN,

BEING solicited by many friends, both in the city and county, to offer myself a candidate for the Office of SHERIFF. I have taken the liberty of soliciting your suffrages at the ensuing election, as I conceive myself qualified (from long experience as assistant to the present and two preceding sheriffs) to discharge the important duties attached to that office.—My engagements will continue to prevent a personal application to each individual, whose approbation I am ambitious to possess; but if correctness, diligence, and every degree of humanity, consistent with the interest due to an indulgent public, are becoming requisites.—I hope the want of a personal interview will be no material objection against the
Public's humble servant,
JOHN HUNTER.

William Merryman

INforms his friends and the voters of the city and county at large,
THAT he continues to solicit their patronage for the office of SHERIFF, at the ensuing election.

WE, the subscribers, of the city of Baltimore, do hereby certify, that Mr. William Merryman has acted towards us, as his creditors, in an honorable and upright manner—and has settled with us, we believe, to the utmost of his ability, and much to our satisfaction.

We are convinced his failure in business proceeded not from his own misconduct, but from those misfortunes incident to trade.

And further, after the insolvent act was passed in his favor, he shewed no disposition to use it to our injury, but made us, his creditors, such liberal propositions as to convince us of his correct intentions towards us.
