**FRENCH NIGHT SCHOOL** in my common  
dwelling, between Light-street and Charles-  
street; but as to promise to do wonders in be-  
half of my pupils—I have no need, it suffices to  
tell them that no language can be learned with-  
out grammatical rules, even as far as translation;  
the master and scholars must take a great deal  
of pains; also, that every person is not capable  
to learn a foreign language. Those impartial  
judges who know me will certainly agree, that  
after having taught the French language to the  
most respected Ladies & Gentlemen of Ameri-  
ca, during more than 45 years; I ought to be  
a competent judge. I would advise those pro-  
mising youths who will favor me with encou-

they may get some benefit of their studies by  
the 15th of March.
