The Public
ARE respectfully informed, that there will be opened THIS DAY, the 15th May, the *Union Cheap Bread Manufactory*, No. 52, North Howard-street, three doors north of Lexington-street, near the market, by WM. LOVELL, who has built two large ovens, where is sold, sound baked English bread, of the finest quality, on such terms never before offered in this city, and in order that the laboring men or those whose families or circumstances will not allow them to buy flour or large quantities of bread, can be supplied on as good terms as the opulent merchant, by the advertiser, who sells 24 ounces of sound bread for 5 cents, 3 pounds for 10 cents, and 6 pounds for 20 cents, that being cheaper than is possible for any family to bake it, allowing that servant's time, yeast and salt cost nothing, which never would be done by any family; could they be supplied with that useful article of a superior quality baked on the hearth of the oven. It is too general in this place for bread to be raised by art and baked on tins, which must be eaten the same day, as it gets harsh and stale in twelve hours. It is allowed by physicians of the first eminence in London, to be unwholesome, and must be allowed by the ladies and gentlemen generally to be unprofitable, for example let 6 persons for 7 days use small loaves, such as are generally sold here, five for 25 cents, then let the same number use six-pound loaves baked one day, they will find a saving of one fourth; in this kind of bread will keep 6 days if kept in an earthen pan, in a cold dry place, being free from all kind of adulteration.
ALSO,
Is baked, bread made of half Rye and half superfine Flour, large in proportion. Any person wishing not to be troubled with baking may by sending their flour receive an equal weight in English bread; free of any charge for baking; superfine flour sold at 4 cents a pound. Taverns, boarding houses, schools, and large institutions, will find it their interest in buying this kind of bread, in preference to baking themselves. Families supplied in any part of the city and suburbs. The above prices are cash, except where stated credits are agreed on, and those must be regular as the profits are small.
A regular supply of Biscuits and Crackers will be kept in a few days from this date.
