REV. JOHN WESLEY, A.M. To which will be prefixed,

Church in the United States.

A COMPREHENSIVE HISTORY OF THE WESLEY FAMILY : And an appendix, Exhibiting the Rise, Progress, and present state of the Methodist

HE Rev. Mr. Wesley was one of the 1 most distinguished characters who arose in the Christian world during the eighteenth century. The variety of his writings, the number of Christians who have joined him, his extraordinary zeal, indefatigable perseverance, and exemplary life, all point him out as worthy

of imitation. His publications in which the events of his life are recorde ', are so multifa-Tious, that it was desirable to have a more brief elation of his journeys and ministerial success This has been already executed by Dr White-Read, Dr. Coke and Mr. Moor, and othersstil more concisely. The object of this publication is to connect together in one velume, the most striking events which occurred during his long existence-Two motives have impelled this attempt-the scarcity of Dr. Whitehead's volumes, and a desire in many of the friends to see a portable account of the founder of the present Methodist Society, with a history of the means, which used under the blessings of God, have rendered their members so numer-

The above work will be printed on a new type and good paper .- It will be put to press as soon as a sufficient number of subscribers are obtained to defray the expendes.

A portrait of Revd. Mr. Wesley, executed by an eminent artist will face the title page. IT Subsbriptions received by the different Booksellers in Baltimore, and by the Publishers, No. 4, Baltimore-street. Price to non-subscriber., one dollar ameter five cente.
