

TUESDAY, JUNE 10, 1866

Mr. PHEEN, AS the period is fast approaching for the election of electors, to choose the next senate of the state...

The ship Hope, Dyer, from the City of Santo Domingo, for Baltimore, was captured off Sandy Hook, on Thursday, by the British ship Leander...

SEA ROBBERS!

A few days since we stated that Whiby, the MURDERER of JOHN PIERCE had again made his appearance off Sandy Hook, and that he has commenced his piratical depredations on our commerce...

Great eclipse of the sun.—On the 16th of the present month [next Monday] the sun will be totally eclipsed, and visible in about these latitudes, if the air be clear.

So rare a phenomena has not happened since the settlement of this country. Indeed, we recollect not to have read of but one instance of the kind.

Messrs. Printers.—When it is as easy to be right as wrong, it is doubtless expedient to be right. I observe in the advertisements of the Merchants, a false orthography of the words cigar and molasses...

Our federalists are mere drivellers in calculation, especially, when they wish to excite wonder and astonishment in the midst of the multitude who are unacquainted with the power and magnitude of numerical calculation.

United States—or about one fourth part of the mentioned debt, created by that admirable scheme of finance, the funding system.

Table with columns for Diseases (Consumption, Still-born, Cholera, etc.) and Adults/Children counts.

Marine Intelligence.
