Su'pher and York Springs.

THE subscriber begs leave respectfully to i form the ladies and gentlemen of the city of Baltimore, and the state of Maryland generally, that he has taken and completely fitted up for their accommo iation, those well known Sulpher or York Springs, lying in Aslam's county, in the state of Pennsylvania, about 60 miles from Baltimore, 14 from Carlisle, and 19 from Gettishurg, the county town of said county. The beneficial effects so often experienced from the use of those waters, so much celebrated in the removal of various complaints, incident to the human frame; such as Rheumatic, Billious affections, &c. &c. of which the most ample and satisfactory testimony can be given. The numerous and effectual cures produced thereby have been experienced by thousands who have heretofore visited those springs zre reasons that induce the proprietor to believe any further descriptions unnecessary, suffice it to say, that the situation, independent the qualities and properties of the water, in removing complaints and restoring health, is equal if not superior to any in the U. States, as an agreeable and pleasant r treat during the summer season, and a fine society from almost all parts of the continent. And he flatters himself from the extreme pains he has taken, in preparing accommodations, together with the moderation of his charges, he cannot fail in giving satisfaction. Gentlemen and their families can be accommodated in an elegant private house, fitted up by Mr. Isaac Wolt for that purpose; in short every thing in his power

shall be done to please. A line of Stages will run from the house of Mr. Hostetter, North Howard-street, Baltimore, to the Springs, twice every week during the season, for the convenience of those chusing that mode of travelling-the charges

also reasonable. The public's most obedient servant, NIMROD MAXWELL
