AND REMOVAL.

THE Subscriber begs leave to inform the public, that his present House in Franklin-street is too distant from the residence of many friends who wish to promote, and to encourage his usefulness—he has therefore engaged a commodious House in Lexington-street, the third door east of Howard-street, and next to that of Oliver Pollock, esqr. For the present he will only pledge himself to accord with the following highly respectable vouchers—and that on Tuesday the 20th inst he commenced in the house last mentioned.

P. EDWARDS.

Frederick-Town, April 25, 1806.

WE, the undersigned, having attended to and frequently visited the school taught by Mr. Patrick Edwards in this place, several of us having children under his management, feel a pleasure in publicly expressing our satisfaction of the progress made by all the children under his care, in the first rudiments of the English language, and the correctness with which they read; and it is justly due to Mr Edwards to declare that their very performance surpassed our most sanguine expectations. Witness our hands.

Extract of a letter from Mr W Addams to a respectable gentleman in this city, dated Frederick-Town, April 5 1806—

"Mr Edwards's method of teaching is entirely new, and one practised by himself: my children that I have under his care, have made a most astonishing progress particularly my eldest son, near seven years old, who has been under the tuition of Mr Edwards about two months; his improvement is rather a prodigy for a child of his age. The rest of my children, the same, having only a common capacity.

In this Office, no insured person is liable to any call to make good the losses of others; but in case of Fire, the Sufferer will be fully indemnified with that liberality and promptness which have always distinguished this Company; requiring no other delay (even where presumption of fraud appears) than is necessary to distinguish the honest Sufferer from the fraudulent Incendiary.

As a proof of the usefulness of this Institution, and the benefit that individuals have derived from it, it is only necessary to state, that since the commencement of the Office, in 1783, near SEVEN MILLIONS OF DOLLARS have been paid to claimants upon their Policies.
