He took with him a good many clothes, among which was a red kersey round jacket and trousers of the same; one pair of coarse country linen trousers; two shirts, and one Irish linen shirt; one spotted calico round jacket; one white Marcell's under jacket, and some other clothing not recollected. **In Baltimore County Court,**

**ON** application to the Judges of the said County Court, by petition in writing of William Starr, surviving partner of William Starr and Joseph Price, of said County, praying the benefit of the "Act for the Relief of sundry Insolvent Debtors," passed at November Session, Eighteen Hundred and Five, on the terms mentioned in the said Act; a schedule of his property and a list of his creditors, on oath, as far as he can ascertain them, as directed by the said Act, being annexed to his petition; and the said County Court being satisfied by competent testimony, that the said William Starr has resided the two preceding years within the State of Maryland, prior to the passage of said Act; and the said William Starr, at the time of presenting his petition as surviving partner of William Starr and Joseph Price as aforesaid, having produced to the said Court, the assent in writing of so many of their creditors as have due to them the amount of two thirds of the debts due by them at the time of passing the said Act.

It is thereupon adjudged and ordered, by the said Court, that the said William Starr, (by causing a copy of this order to be inserted in some one of the daily papers of the city of Baltimore, for three months before the seventh day of October next) give notice to their creditors to appear before the said County Court, at the Court House in the said county, at ten o'clock in the forenoon of the said seventh day of October next, for the purpose of recommending a trustee for their benefit, on the said William Starr, then and there taking the oath by the said Act prescribed for delivering up their property.

**RAN AWAY** on Saturday the 27th inst. from the country residence of the subscriber, a Negro Man called **PETER**, formerly owned by Mr. Joseph Young, of this city. He is about 5 feet 6 inches high, stout-made, rather handsome than otherwise, has tolerable good teeth, was very lame when he went off, owing to the wheel of a carriage in cleaning it falling upon his foot; has a particular aversion to giving a direct answer; but always says, "I reckon;" to every question the most positive; and is constantly talking to himself as if grumbling. His clothes were numerous, among them was a blue cloth coat, a brown cloth coat rather rusty, though not much worn; a dove colored twilled nankeen coat, considerably faded from washing, the sleeves of which have been let out; several handsome Marcell's vests of different patterns; all very short; shirts of fine white Irish linen; pantaloons and gaiters of India nankeen; very good, and of the present mode; a fashionable Beaver hat, quite new, maker's name in the crown, Wm. Branson, Hatter, 131, Market-street, Baltimore. The above reward will be given for apprehending said negro out of the state, and bringing him in jail so that I get him again; or thirty dollars if within the state. **CALEB M'KENZIE**, Mathematical Instrument Maker, from Philadelphia, at No. 21, Thames-street, Fell's-Point, next door to Mr. James Ramsey's, takes this method of informing the citizens of Baltimore, the Mercantile and seafaring part in particular, that he has been induced, in consequence of the death of Mr. Sweeny, to leave a very good establishment in Philadelphia for the purpose of carrying on the above business in this city where he flatters himself from his being regularly brought up to his profession, by an apprenticeship of seven years, added to the experience of five years as a foreman, and two years as a master, he shall be enabled to give every satisfaction to those gentlemen who may please to honor him with their business; and as C. M'Kenzie is the only person at present in this city, who has been regularly bred to his profession, he has reason to hope that he will have no cause to regret the exchange he has made.

N. B. Sextants, Quadrants, Telescopes and Compasses cleaned and repaired in the most correct manner. Brass and wood compasses made to any size or dimension. Gauging rods of all kinds made on the most approved construction.  
I do certify that the bearer Caleb M'Kenzie has been regularly instructed by me, in the Mathematical and Optical branches of business, and that he is capable of carrying on the same in such a manner, as to give satisfaction to all those who are inclined to employ him.

Harry, I am informed, has several large scars on his body and thighs, from burns received when young.

"Mr. Edwards's method of teaching is entirely new, and only practised by himself; my children that have been under his care, have made a most astonishing progress; particularly my eldest son, near six years old, who has been under the tuition of Mr. Edwards about nine months; his improvement is rather a prodigy in the tuition of children, he having only an ordinary capacity."
