His clothes were numerous, among them was a blue cloth coat, a brown cloth coatee rather rusty, though not much worn; a dove colored twilled nankeen coatee, considerably faded from washing, the sleeves of which have been let out; several handsome Marseilles vests of different patterns, all very short; shirts of fine white Irish linen; pantaloons and gaters of India nankeen, very good, and of the present mode; a fashionable Beaver hat, quite new, maker's name in the crown, Wm. The fire, contained in a queensware coffee pot, figured, blue and white, had been thrown through the cellar window into the cellar, by which means the fire was communicated to a quantity of shavings. A woman was seen passing from the back of the house a short time before the flames were discovered. This is stated under a conception that it may aid in the detection of the base offender.
