

**Fire Insurance.**  
THE SUBSCRIBERS HAVING RECEIVED POWERS AND DIRECTIONS FROM THE PHOENIX COMPANY OF LONDON, is duly authorized to effect insurance on Houses, Buildings, Stores, Ships in Harbor, Goods, War- and Merchandise, in any part of the state of Maryland.

**FROM LOSS OR DAMAGE BY FIRE.**  
On terms so moderate, as will, it is presumed, make it the interest of all to resort to a measure so well calculated to give additional security to commercial transactions, and to afford protection from the injury which Fires have so often occasioned.

In this Office, no insured person is liable to any call to make good the losses of others; but in case of Fire, the Sufferer will be fully indemnified with that liberality and promptness which have always distinguished this Company; requiring no other delay (even where presumption of fraud appears) than is necessary to distinguish the honest Sufferer from the fraudulent Incentriary.

As a proof of the usefulness of this Institution, and the benefit that individuals have derived from it, it is only necessary to state, that since the commencement of the Office, in 1782, near SEVEN MILLIONS OF DOLLARS have been paid to claimants upon their Policies.

The following is published for the information of those who reside at a distance.

**CONDITIONS OF INSURANCE.**  
I. PERSONS desirous to make Insurance on Buildings, are to deliver in to the Agent the following particulars, viz:—Of what materials the walls and roof of each building are constructed, as well as the construction of the buildings contiguous thereto—whether the same are occupied as private dwellings, or how otherwise—where situated—also, the name or names of the present occupiers.

Each building must be separately valued, and a specified sum insured thereon—and in like manner a separate sum insured on the property contained therein.

All manufactories which contain furnaces, kine, stoves, coals, ovens, or otherwise use fire heat, are chargeable at an additional rate.

In the insurance of GOODS, WARES, or MERCHANDISE, the building or place in which the same are deposited, is to be described; also whether such goods are of the kinds denominated hazardous, and whether any manufactory is carried on in the premises. And if any person or persons shall insure his or their buildings or goods, and shall cause the same to be described in the policy otherwise than as they really are, so as the same be charged at a lower premium than would be demanded if the true situation or quality of the buildings or goods were made known, such insurance shall be of no force.

If Goods held in trust, or on commission, are to be insured as such, otherwise the policy will not extend to cover such property.

III. No loss or damage to be paid on fire happening by any invasion, foreign enemy, civil commotion, riot, or any military or usurped power whatever: nor for damage done by fire occasioned by earthquakes or hurricanes; but this company will make good losses on property burnt by lightning.

IV. Books of accounts, written securities, bills, bonds, titles, and ready money, cannot be insured.

V. Jewels, plate, medals, or other curiosities, paintings and sculptures, are not included in any insurance, unless such articles are specified in the policy.

VI. Persons insuring property at this office, must give notice of any other insurance made elsewhere on their behalf on the same, and cause such other insurance to be endorsed on their policies; in which case each office shall be liable to the payment only of a rateable proportion of any loss or damage which may be sustained; and unless such notice is given, the insured will not be entitled to recover in case of loss.

VII. No order for insurance will be of any force, unless the premium is paid to the agent, or unless a sum has been advanced, and the agent has delivered his receipt on account of the office—and all persons desirous to continue their insurances, must make their future payments annually within fifteen days after the day limited by their respective policies, or the same will void.

VIII. All persons assured by this company, sustaining any loss or damage by fire, are forthwith to give notice to the company's agent, and as soon as possible after, to deliver in as particular account of their loss or damage, signed with their own hands, as the nature of the case will admit of, and make proof of the same by their oath or affirmation, and by their books of accounts, or other proper vouchers, as shall be reasonably required; and shall procure a certificate, under the hand of a magistrate or sworn notary of the city or district in which the fire happened, not concerned in such loss, importing that they are acquainted with the character and circumstances of the person or persons insured, and do know, or verily believe, that he, she, or they, really, and by misfortune, without any kind of fraud or evil practice, have sustained by such fire, loss and damage to the amount therein mentioned, and, until such affidavit and certificates are produced, the loss money shall not be payable; also, if there appears any fraud or false swearing, the claimant shall forfeit his claim to restitution or payment, by virtue of his policy.

IX. In case any difference or dispute shall arise between the assured and the company, touching any loss or damage, such difference may be submitted to the judgment and determination of arbitrators indifferently chosen, whose award in writing shall be conclusive and binding to all parties. And when any loss or damage shall have been duly proved, the insured shall receive satisfaction, to the full amount thereof, without allowance of any discount, fees, or other deduction whatever.

X. Persons choosing to insure for seven years, will be charged for six years only; also, for a less number of years than seven, will be allowed a reasonable discount.

Pitch, Tar, Turpentine, Saltpetre, Flax, Hemp, Oils, and Tallow, are deemed hazardous goods; Tallow-melters, Soap-makers, Brewers, Dealers in Spirituous Liquors, Vinegar and Sweet-makers, Hemp and Flax-dressers, Printing-houses, Coopers, Capenters, Cabinet-makers, Coach-makers, Malt houses, Bakers, Ship-chandlers, Boat-builders, Rope-makers, Sugar-refiners, Distillers, Chymists, Variish-makers, Turpentine-works, Theaters, and all Mills and Machinery, are deemed extra-hazardous, and the rate upon such risks will be proportionally increased.

Ships in port, and their cargoes, ships building or repairing, also barges, and other small craft, with goods on board, may be insured against fire, at 75 cents for one year—45 cents for six months, and 37 1/2 cents for three months per 100 dollars.

Hams, Stalks, Hay, and grain contained in them, or in starks or ricks, and live stock, will be insured at such premium as may be agreed on.

BILL is a likely well made fellow, about 21 years of age, 5 feet 10 inches high; his hands and feet are large. The evening before he absconded, he had his hair cut short; he took with him a variety of clothing: among other things, one blue coat and overalls; one light colored bear skin coat and overalls; two swansdown waistcoats; some coarse shirts; three fine Irish linen shirts; three miltain neck cloths; a fine hat which cost 7 dollars; he took with him a prayer-book which has the name Mary Duckitt written in the first page.

Joe calls himself Joe Grimes alias Graham; he has had the bone of one of his arms broken near the wrist, which makes it larger than the other; when spoken to, he speaks fast, and his tongue seems to be too large for his mouth. HARRY, I am informed has several large scars on his body and thighs, from burns received when young.
