AND INSTRUCTIONS FROM THE

PHOENIX COMPANY OF LONDON, Is fully authorised to effect insurance on Hou ses, Buildings, Stores, Ships in Harbor, Goods, War-s and Merchandize, in any part of the state of Maryland,

FROM LOSS OR DAMAGE BY FIRE, On terms so moderate, as will, it is presumed, make it the interest of all to resort to a measure so well calculated to give additional security to commercial transactions, and to afford protection from the injury which Fires have so often occasioned.

In this Office, no insured person is liable to any call to make good the losses of others; but in case of Fire, the Sufferer will be fully indemnified with that liberality and promptness which have always distinguished this Company; requiring no other delay (even where presumption of fraud appears) than is necessary to distinguish the honest Sufferer from the fraudu. lent Incendiary.

As a proof of the usefulness of this Institution, and the benefit that individuals have derived from it, it is only necessary to state, that since the commencement of the Office, in 1782, near Seven millions of pollars have been paid to claimants upon their Policies. The following is published for the information of

those who reside at a distance. CONDITIONS OF INSURANCE.

Each building must be separately valued, and a specified sum insured thereon-and in like manner a separate sum insured on the property contained therein.

All manufactories which contain furnaces, kilns, stores, coakels, orens, or otherwise use fire heat, are chargeable at additional rates.

In the insurance of Goods, WARES, or BIER-CHANDISE, the building or place in which the same are deposited, is to be described; also whether such goods are of the kinds denominated hazardous, and whether any manufactory is carried on in the premises. Aikl if any person or persons shall insure his or their buildings or goods, and shall cause the same to be described in the policy otherwise than as they really are, so as the same he charged at a lower premium than weuld be demanded if the true situation or quality of the buildings or goods were made known, such insurance shall be of no force.

II. Goods held in trust, or on commission, are to be insured as such, otherwise the policy will not extend to cover such property.

III. No loss or damage to be paid on fire happening by any invasion, foreign enemy, civil commotion, riot, or any millitary or usurped this company will make good losses on property burnt by lightning.

IV. Books of accounts, written securities, bills, bonds, tallies, and ready money, cannot be insured.

TOTICE is hereby given, that I the sub-IN scriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charlesstreet; but to promise to do wonders in behalf of my pupils, I have no need—it suffices to tell them that no language can be learned, without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies and Gentlemen of America, during more than 46 years, I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their
