Gout and Rheumatic Drops.

NOTHING is of more importance than the preservation of life. In this common place remark however is too often forgotten, whilst we are active and strong—and prevention of pain, which is superior to its cure, is not sufficiently attended to by any description of persons. Amongst those disorders which require the most steady & unremitting efforts to eradicate and overcome, none have a stronger claim upon our notice than the Gout, Rheumatism, Lumbago, Weakness of the Joints, Sprains, Gleet, the Stone and Gravel, the Cramp, and every species of Rheumatic Pains from whatever cause they may have originated—and hence every relief which can be administered is too valuable to be forgotten.—Those persons whose avocations peculiarly expose them to colds, &c. cannot be too anxious always to possess immediate aid. Seafaring persons, travellers, &c. ought constantly to carry with them that medicine which will counteract the unpleasant effects of their perilsous duties, and especially those pains to which their situation most exposes them. To those who reside in or visit the West Indies, and other warm climates, they will be found useful to convey the most lasting service, and will gradually destroy all tendency to disease in the human frame, and preserve health and vigor. Although a great variety of prescriptions have been published to cure the disorder enumerated above, none has as yet equaled the GOUT and RHEUMATIC DROPS of DR. TISSOT, which has been celebrated throughout the EUROPEAN continent, and whose unobscured benefits are fully and extensively certified already published of Gen. Charles Radclyffe, of Hampton; John Gibson, and John Macubin, Esqrs. of Jamaica; and Mrs. Ryan of Calten place, to which the following testimonial bears witness.
Certificate of Mr. THOMAS KESLO, butcher.
A GOUT attack which was once I was most violently attacked with Rheumatic Pains through out my whole frame, in so severe a manner as not to be able to turn in my bed without assistance, proceeding, as I suppose, from a severe cold;—I being advised by a friend to apply Dr. Tissot's Gout and Rheumatic Drops, I accordingly obtained from the agents, Messrs Geo. Dobbin and Murphy, two bottles, the application of which, under God, has perfectly restored me to health. I am therefore inclined with confidence to recommend this medicine as a certain cure for the above disorder.
THOMAS KESLO.
Baltimore, July 22d, 1806.
Certificate of Mr. THOMAS CAMPBELL, Harness-maker.
It would be an act of injustice to withhold my testimony of the salutary effects of Doctor Tissot's Gout and Rheumatic Drops, as I have experienced a very unequivocal instance of their virtues and efficacy. I was afflicted with two severe attacks of what is usually called Gout, from which I partially recovered, but was obliged to use crutches to aid me in walking when I left home; the result of the affliction, and I had feared the disorder would accompany me through life;—but providentially was recommended to apply to Geo. Dobbin and Murphy's for Dr. Tissot's Drops; and after using only one bottle, found myself perfectly liberated from my disorder, and I am now, thank God, as free from pain as if I never had been afflicted.—Finding this medicine operate so powerfully on myself, I determined to apply it internally to my child, a boy only eleven months old, who was then reduced almost to a skeleton with the Bavel Complaint; after administering it in this manner, his complaint was entirely removed, and he is now recovering his strength with great celerity.

He is about 5 feet 6 inches high, stout make, rather handsome than otherwise, has tolerable good teeth, was very lame when he went off, owing to the wheel of a carriage in cleaning it falling upon his foot; has a particular aversion to giving a direct answer; but always says, "I reckon" to every question the most positive; and is constantly talking to himself as if grumbling. French Night School.
N TICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but to promise to do wonders in behalf of my pupils, I have no need—it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies and Gentlemen of America, during more than 46 years, I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.
