French Night School.

TOTICE is here by given, that I the sub-IN scriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charlesstreet; but to promise to do wonders in hehalf of my pupils, I have no need-it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those is partial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies and Genthemen of America, during more than 46 years, I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible; so that they may get some benefit of their studies by the 15th of March.
