PROPUSALS

FROM THE PHOENIX COMPANY OF LONDON For insuring Houses, Bui'ngs, Stores, Ship in Harbour, Goods, Wares, and Merchan z".

FROA LOSS OR DAMAGE BY FIRE INSTRANCE from loss or damage by FIRE and been found a measur of great importance to the happin ss of families, and has given additional security to comm reial transactions .- The distinguished approbation with which the public throughout Grest Britain received the improved system of this office, occasioned trequent application for the insurance of property in the principal cities and towns in Europe and America, and induced the compan many years since to extend their plan to the continents of Europe and America, and to the West India Islands. The Phanix Company can r f r to the unerring test of experience to ascertain their character; and, gratified the unbounded confider le they have obtsided and for the purpose of the "theing to the inhabitants the means of ellecting insurance on their property, the directors have late veleter mined to extend the sum waich they were noce accustomed to inser in any single rock, and have arranged rates of promium upon the various descriptions of property which, they trust, will be found a elerate, just, an i equitable.—The promptitude with which this office has adjusted the chains of suff rers, and the solidity of its funds, are so well known, that it is unnecessary to offer more on the subject, than to r fer those who desire information, to the merchants of London with whom they corres; o'al.

In this Office no insured person is liable to any call to make good the losses of others; but in case of Fire, the sufferer will be tady indemnified by the Company -The Company also make good losses on property burnt by lightning.

Fire Insurance.

THE SUBSCRIBER HAVING .. ECRIVED POWERS O INSTRUCTIONS FROM THE

PHOENIX COMPANY OF LONDON. Is ully authorised to effect insurance on Hou see, Building , Stores, Ships in Harbor, Goods, War is and Merchandize, in any partof the state of Maryland,

FROM LOSS OR DAMAGE BY FIRE, On terms so moderate, as will, it is presumed, make it the interest of all to resort to a measure so well calculated to give additional secus rity to commercial transactions, and to afford protection from the injury which Fires have so often occasioned.

In this Office, no insured person is liable toany call to make good the losses of others; but in case of Fize, the Sufferer will be fully indemnified with that liberality and promptness which have always distinguished this Company l'requiring is other delay (even where presumption of fraud uppears) than is necessary to distinguish the conest Sufferer from the fraudu-

lent Incendirry. As a proof of the usefulness of this Institution, and the benefit that individuals have deri-

ved from it, it is only necessary to state, that since the commentement of the Office, in 1782, near Seven Millions of Dollars have been paid to claimant upon their Policies

The following is published for the information of those who reside at a distance.

Each building must be separately valued, and a specified sum insured thereon-and in like manner a separate sum insured on the property containe I therein. All manufactories which contain furnaces,

kilns, stoves, coakels, ovens, or otherwise use

fire heat, are chargeable at additional rates. In the insurance of Goods, WARES, or MER-CHANDISE, the building or place in which the same are deposited, is to be described; also whether such goods are of the kinds denominated hazardous, and whether any manufactory is carried on in the premises. And if any person or persons shall insure his or their buildings or goods, and shall cause the same to be described in the policy otherwise than as they really are, so as the same be charged at a lower premium than would be demanded if the true situation or quality of the buildings or goods

were made known, such insurance shall be of CONDITIONS OF INSURANCE.

I. PERSONS desireus to make Insurance on BUILDINGS, are to deliver in to the Agent the f llowing particulars, viz .- Of what materials the walls and roof of each building are constructed, as well as the construction of the buildings contiguous thereto-whether the same are occupi d as private dwellings, or how otherwise -where situated-also, the name or names of the present occupiers.

II Goods held in trust, or on commission, are to be insured as such, otherwise the policy will not extend to cover such property.

III. No loss or damage to be paid on fire happering by any invasion, foreign enemy, civil commotion, riot, or any millitary or ususpect lower whatever i nor for damage done by fire occasioned by carthquakes or hurricanes; but this company will make good losses on property burnt by lightning.

IV. Books o. accounts, written securities, bills, bonds, tallies, and ready money, cannot be

V. Jewels, plate, medals, or other curiosities, paintings and sculptures, are not included in any insurance, unless such articles are specified in the policy.

VI. Persons usuring property at this office, must give notice of any other insurance made elses here on their behas on the same, and cause such other insurance to be encorsed on their policies; in which case each office shall he liable to the payment only of a rateable proportion of any loss or damage which may be sustained; and unless such notice is given, he insured will not be entitled to recover in case

VII. No order for insurance will be of any force, unless the premium is paid to the agent, or unless a sum less been advanced, and the agent has delivered his receipt on account of the office; and all persons desirous to centirue their insurances, must make their future pay mer is annually within fifteen days after the cay limited by their respective policies, or the same will be void.

VIII. All persons assured by this company, sustaining any less or damage by fire, are ferthwith to give retice to the company's agent, and as soon as possible after, to deliver in as particu ar account of their loss or damage, signed with their own hands, as the nature of the case will admit of, and make proof of the same by their oath or affirmation, and by their books of accourts, or other proper vouchers, as shall be reasonably required; and shall procure a cortificate, under the shand of a magistrate or sworn notary of the city or district in which the fire happened, not concerned in such loss, importing that they are acquainted with the character and circumstances of the person or persons insured, and do know, or verily believe, that he, she, or they, really, and by misfortune, without any kind of fraud or evil practice, have sustained by such fire, loss and damage to the amount therein mentioned; and, until such afficavit and certificates are produced, the loss money shall Turn were a Merchan lize not hazardous, I not be payable; also, if there appears any fraud or false swearing, the claimant shall forfeit his claim to restitution or payment, by virtue of his

IX. In case any difference or dispute shall arise between the assured and the company, touching any loss or damage, such difference may be submitted to the judgment and determination of arbitrators indifferently chosen, whose award in writing shall be conclusive and binding to all parties. And when any loss or damage shall have been duly proved, the insured shall receive satisfaction, to the full amount hereof, without allowance of any discount, fees, or other deduction whatever.

X Persons choosing to insure for seven years, will be charged for six years only; also, for a less number of years than seven, will be allowed a reasonable discount.

Pitch, Tar, Turpentine, Saltpetre, Flax, Hemp, Oils, and Tallow, are deemed hazardous goods: Tallow-melters, Soap-makers, Brewers, Dealers in Spirituous Liquors, Vinegar and Sweet-makers, Hemp and Flaxdressers Printing-houses, Coopers, Capenters, Cabinet-makers, Coach-makers, Malt houses Bakers, Ship-chandlers, Boat-builders, Ropemakers, Sugar-refiners, Distillers, Chymists, Varnish-makers, Turpentine-works, Theatres, and all Mills and Machinery, are deemed extra-hazardous, and the rate upon such risks will be propertionably increased.

Ships in port, and their cargoes; ships building or repairing; also barges, and other small craft, with goods on board, may be insured against fire, at 75 cents for one year-45 cents for six months, and 37 1-2 cents for

three months per 100 dollars. Barns, Stables, hay and grain contained in them, or in stacks or ricks, and live stock, will he insured at such premium as may be agreed,

The rates on buildings, (and on property conained in them) depend so much on the materials of which they are constructed, the purposes for which they are used, and their situation with respect to other buildings that may be deemed hazordous, that particular attention is requested to these circumstances in the orders for in-

In cases requiring a Surveyor's report, or plan of the buildings, where there are several, showing their situation with respect to each other and toother buildings, such survey or plan must be furnished by the Assured, or at his expence; but, where a clear description of the property can be given, of which the Agent must be the judge, they may be dispensed with. The Assured is subject to no charge or expence in this

Office, except 50 cents for the Policy. In stating the sums for which insurance may be requested on any property, it should be recollected that indemnity only is the object of insurance against Fire, and that be efit, or experted profit or advantage, beyond a just estimate of the value of the property destroyed, is against

the principles of the contract. Orders lest at the Office of the company, in Second-street, will be attended to DAVID STEWART.
