A respectable house in this city has received by the Sally, a letter from Mr. Murdock, in London, dated the 18 in August. It does not appear, that at that date, the negociations between Great Britain and France, had assumed any decisive appearance. The opinion, however, of Mr. M. an ealig' tened merchant and a weil informed politicien, was that it would eventuate in a ficacé.

Firmon, (Md.) October 7. MR. PECHIN,

YOU will please insert the following in your useful paper, and oblige your sub-\_ scribers of this place.

Yesterday the suffrages of the people elected for delegates for Cecil County: John J. Cox, Thomas Miffet, Esqs. Mr. Thomas Porter & Dr. Ge rge E. Mitchell. The three first mentioned are gen tiemen, woo have represented the county before, and er: without doubt men of worth and principles, concordant with those of their constituents. D. Mitch II is a very young I gial too, his politic I principles and actions are decidaly democracic, & if ne will prefer industry to pleasure, will make a very useful memberwe tope our delegates, and those of the state, will recollect that alterations and reformation, . I the state constitution a: c absolutely necessary to make it consistent with republican principles and agreeable to the sentiments of a free people.

The celebrated John Montgomery, Esq. of Harford, was voted for a member to Congress in this county, and has a very great me jority. We have not yet received any returns from Kent and Harford, but think there is no doubt but he is elected by a very great majority; he was opposed Ly the worthy Dr. Archer.

John Baxter, Esq. a revolutionary officer ond Thomas Taylor, E.q. were elected sheriff. BAXTER has a majority.
