## 500 Dollars Reward.

IT appears that Messrs. WALKER and KENNEDY put two letters into the Post Office at Philadelphia on the 30th and 31st of July last, addressed to Messrs JAMES & JOHN DAVIDSON, of Petersburgh, Virginia, each letter containing 2000 dollars in bank notes, which have probably been stolen from the mail. Whoever will discover and prosecute the thief or thieves to conviction shall be entitled to the above reward.

GIDEON GRANGER,
Post-Master-General.

General Post Office,
September 22, 1806.

One of the notes transmitted in the letter of the 31st of July, has been found in circulation, it is probable that others are also circulated; any person who may have either of the notes mentioned in the following list is requested to advise the Post-master general of it, mentioning any circumstances that may enable him to trace the subject.

## 50 Dollars Reward.

RAN away from my service on the morning of Saturday the 16th instant, a Negro Man named EDWARD JOHNSON, but commonly called NED; it is supposed he is gone to the Eastern Shore, from whence he came, and where he had been permitted several times to go to see his friends. Edward is about 5 feet 10 inches high, straight and well made, has a good countenance, and is an active, smart fellow, about 24 years of age. He had on when he absconded a chesnut coloured fustian jacket, a pair of velveteen pantaloons, white waistcoat and black hat; however he had in his possession some other clothes and he will probably change his dress. He took with him a dark brown mixed cloth long coat and waistcoat, several pair of pantaloons &c. Ten dollars reward will be paid if he is taken and secured within the city or county of Baltimore, thirty dollars if without the city or county, but within the state of Maryland, and the above reward and fifty dollars if out of the state, and reasonable expences for delivering him to me at Baltimore.
