Venereal Disease.

To whom this may unfortunately concern, are informed that a fresh supply has now been re-

ceived, of INDIAN VEGETABLE SPECIFIC.

HE experience of several thousands who have been cured by this medicine (a great proportion of them after the skill of eminent physicians had proved ineffectual) demonstrates its efficacy in expelling the Vene- I task of the education of their children, as those real poison, hower deeply rooted in the consti- | who plac d their youth in my care lest winter; tution, and in counteracting those dreadful ef- do pledge myself that no exertion will be wantfects which often result from the improper use | ing that may promote the progress of the puof mercury.

The mildness of the vegetable Specific is equal to its surprising efficacy; its operation is so gentle that it is given to venereal patients in a state of pregnancy, with the utmost safety, and performs a cure without disturbing the system, producing any of those dist greeable effects inseparable from the common remedics.

With the medicine is given a description of the symptoms which obtain in every stage of the disease, with copious directions for their treatment, so as to accomplish a perfect cure in the shortest time and least inconvenience possible,

Take notice that the above valuable medicines connot be genuine if had at any other store than Warner & Hanna's, corner of Gav & Market streets-Ioin Vance & Co's No. 178, three doors below Charles-street, in Market street, and at N. Knight's, Fell's Point.

Observe, that the signature of Richard Lce and Son, is on the out side wraper of the genuine medicines.

French Night School.

TOTICE is hereby given, that I the sub-IN scriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charlesstreet; tut to promise to do wonders in hehalf of my pupils, I have no need-it suffices to tell them that no language can be learned with. out grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies and Gentlemen of America, during more than 46 years, I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, ro that they may get some benefit of their studies by the 15th of March.
