French Night School.

NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but to promise to do wonders in behalf of my pupils, I have no need—it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies and Gentlemen of America, during more than 46 years, I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 13th of March.

Evangelical Reformed Church LOTTERY. THE subscribers having been appointed by the Members of the German Evangelical Reformed Church, of Baltimore, as Managers of a Lottery, authorized by the General Assembly of Maryland and the corporation of the city of Baltimore, intended to raise a sum of money for the erection of a Parsonage and a School House; and to finish their House of Worship, offer to the public the following

SCHEME:

Table with 2 columns: Prize description and Amount. Includes 1 prize of \$2,500, 1 of 1,000, 2 of 500, 5 of 200, 9 of 100, 20 of 50, 32 of 20, 410 of 6, 4 of 3, and 48,000 sum raised including expense.

12,000 Tickets, at Five Dollars each, 60,000. From the above scheme it appears that there are no blanks, and that the purchaser of tickets will have to pay no more than Two Dollars in advance on each ticket—and as the full price of each ticket is Five Dollars, there will remain due on each ticket Three Dollars, which will be retained out of the prize money.

The advantages offered to adventurers, and the object to which the money is principally to be applied, the managers hope, will produce such a speedy sale of tickets as may enable them to commence the drawing at an early day.

The prizes will be paid in sixty days after the completion of the drawing; and such as may not be demanded within twelve months will be considered as generous donations to the church.

Veneral Disease.

To whom this may unfortunately concern, are informed that a fresh supply has now been received, of INDIAN VEGETABLE SPECIFIC. THE experience of several thousands who have been cured by this medicine (a great proportion of them after the skill of eminent physicians had proved ineffectual) demonstrates its efficacy in expelling the Venereal poison, however deeply rooted in the constitution, and in counteracting those dreadful effects which often result from the improper use of mercury.

The mildness of the vegetable Specific is equal to its surprising efficacy; its operation is so gentle that it is given to venereal patients in a state of pregnancy, with the utmost safety, and performs a cure without disturbing the system, producing any of those disagreeable effects inseparable from the common remedies. With the medicine is given a description of the symptoms which obtain in every stage of the disease, with copious directions for their treatment, so as to accomplish a perfect cure in the shortest time and least inconvenience possible.

Take notice that the above valuable medicines cannot be genuine if had at any other store than Warner & Hanna's, corner of Gay & Market streets—John Vance & Co's No. 178, three doors below Charles-street, in Market street, and at N. Knight's, Fell's-Point. Observe, that the signature of Richard Lee and Son, is on the out side wrapper of the genuine medicines.
