

To the Voters of the City and County of Baltimore.

THE subscriber being encouraged by a number of the disinterested supporters of the candidates, at the late election, is induced respectfully to renew his solicitations for your suffrages at the next election for the office of Sheriff. He returns his grateful acknowledgments to those friends who interested themselves for him in his late attempt, and assures them, that their generous support has excited those sentiments that link gratitude to kindness; and he flatters himself that by a continuation of their friendship, and the patronage of his fellow citizens generally, he will be enabled to obtain the office; and, if successful, will endeavor by rectitude of conduct, to give general satisfaction.

French Night School.

NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but to promise to do wonders in behalf of my pupils, I have no need—it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies and Gentlemen of America, during more than 46 years, I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.

Veneral Disease

To whom this may unfortunately concern, are informed that a fresh supply has now been received, of

INDIAN VEGETABLE SPECIFIC.

THE experience of several thousands who have been cured by this medicine (a great proportion of them after the skill of eminent physicians had proved ineffectual) demonstrates its efficacy in expelling the Venereal poison, however deeply rooted in the constitution, and in counteracting those dreadful effects which often result from the improper use of mercury. The mildness of the vegetable Specific is equal to its surprising efficacy; its operation is so gentle that it is given to venereal patients in a state of pregnancy, with the utmost safety, and performs a cure without disturbing the system, producing any of those disagreeable effects inseparable from the common remedies. With the medicine is given a description of the symptoms which obtain in every stage of the disease, with copious directions for their treatment, so as to accomplish a perfect cure in the shortest time and least inconvenience possible.

Take notice that the above valuable medicines cannot be genuine if had at any other store than Warner & Hanna's, corner of Gay & Market streets—John Vane & Co's No. 178, three doors below Charles-street, in Market street, and at N. Knight's, Fell's Point.

Observe, that the signature of Richard Lee and Son, is on the outside wrapper of the genuine medicines. N. B. The whole of Lee's Genuine Medicines may be had at the above Book-Stores, and no where else in Baltimore.
