LEE'S

Infalible Ague & Fever Drops, For the cure of Agues, Lemittent, and Intermittent Fevers.

THOUSANDS can testify of their being cured by these drops, after the bark and every other medicine have proved ineffectual. Not one in a hundred has had occasion to take more than one, and hundreds not half a bottle. These drops are particularly recommended to the inhabitants of low, marshy countries, where the worst sort of agues generally prevail; which, unless early attended to and speedily removed, injure the constitution exceedingly, and bring on dropsies, putrid fevers, and a variety of complaints, of the most dangerous and alarming nature. Many other medicines are daily offered to the public for the cure of this disorder, which, upon trial, have been found either dangerous or useless. The bark is the usual remedy made use of; but being a very nauseous medicine, and seldom taken in sufficient quantity, it very often fails; children and those who have weak stomachs, are frequently lost for want of a more easy and pleasant remedy. Take notice that the above valuable medicine cannot be genuine if had at any other store than Warner & Hanna's, corner of Gay and Market streets—John Vance & Co's No. 174, three doors below Charles-street, in Market-street, and at N. Knight, No. 23, Fell's-point. Observe, that the signature of Richard Lee and Son, is on the outside wrapper of the genuine medicine. N. B. The whole of Lee's Medicines may be had at the above Book-Stores, and no where else in Baltimore. October 25 e0
