Veneral Complaints.
Omnibus ad quos hęc pervenerint Saltem.
AS DR. WARNER'S practice has been very
extensive both in public and private, daily
experience convinces him of the propriety
of his method of removing the Venereal Dis-
ease in preference to any Medicine vended or
known in Baltimore. Among the numerous
cases of the most delicate females in very ad-
vanced stages of pregnancy, when to all human
probability their tender offspring must have
been destroyed in the common mode of cure,
there has never been an unfortunate termina-
tion. The advantages of medicine not in the
least disagreeable to the taste or stomach, the
ease to the patient without confinement or res-
triction in drink or diet, must be self-evident
to all. As he has removed cases deemed in-
curable by the ablest physicians both of Europe
and America—The Doctor solicits particularly
the attention of those who have made ineffec-
tual trials with others. As Dr. Warner is in the
daily habit of receiving communications from
other states, and sending medicine to them,
he will attend to any letters, postage always
being paid, as usual. Those who have injured
their constitutions by imprudence may be re-
stored by a timely application. Many infants
who have been born with this evil affliction,
have been most effectually restored to health
by the subscriber. Masters of vessels and
travellers may have their medicine so prepared,
that a safe, effectual and expeditious cure will
be made without any restrictions whatever.
Cure is warranted in all cases.
Dr. Warner has removed to the corner of
Cumberland-Row and Water-street, at the
lowest end of the Marsh-market.
