A Packet leaves the lower end of Bowly's  
wharf every day at 9 o'clock, A. M. (Saturday  
excepted.) These boats have accommodations  
for passengers equal to any others in the Ches-  
apeake Bay; and the proprietors will make  
use of their utmost exertions for the conveni-  
ence, comfort and dispatch of passengers going  
in this line. The most careful and experienced  
captains are employed, and the proprie-  
tors consider this route as having advantages over any  
other that can be established for carrying pas-  
sengers and goods, by water and land, between  
Baltimore and Philadelphia—the land carriage  
being only 17 miles; they are the more confir-  
med in this opinion, having themselves made tri-  
als of the other places which are intended for  
that purpose.  
The importance of thus shortening the land  
carriage, from 7 to 9 miles, must be obvious to  
every traveller.  
For freight or passage apply to the captains  
on board, or to  
WM. McDONALD,  
No. 103, lower end of Bowly's wharf.
