Venereal Complaints. Omnibus ad quos hec percenerint Salutem.

S Dr. WARNER's practice has been very La extensive both in public and private, daily experience convinces him of the propriety of his method of removing the Venereal Disease in preference to any Medicine vended or' known in Ba'timore Among the numerous cases of the most delicate semales in very advanced stages of pregnancy, when to all human probability their tender offspring must have been destroyed in the common mode of cure, there has never been an unfortunate termination. The advantages of medicine not in the least disagreeable to the taste or stomach, the ease to the patient without confinement or restriction in drink or diet, must be self-evident to all. As he has removed cases deemed incurable by the ablest physicians both of Europe and America -- The Doctor solicits particularly the attention of those who have made ineffectual trials with others. As Dr. Warner is in the daily habit of receiving communications from. other states, and sending medicine to them, I ought to be a competent judge. I would adhe will attend to any letters, postage always being paid, as usual. Those who have injured their constitutions by imprudence may be restored by a timely application. Many infants who have been born with this evil affliction, have been most effectually restored to health by the subscriber. Masters of vessels and travellers may have their medicine so prepared, that a safe, effectual and expeditious cure will be made without any restrictions whatever.

Cure is warranted in all cases. Dr. Warner has removed to the corner of Cumberland Row and Water-street, at the west end of the Marsin-market. Oct. 28
