To the Public.

IN the American of vesterday, a certain de-I serter from Gibraltar, called William Marks, who says he is a plaisterer and stucco man, is recommending himself as a workman in the above ime, and desires the public to call at Mr. Bryden's bal -room, to see a specimen of his abilities. The public are cautioned to beware of this p et miler, as he was not the project ir of the st icco work in that room, and is entirely unacquainted with that branch of business, and tittle even with common plais. tering, which will be seen on examining his work at Mr T. Jones's house in Lexingtonstreet -and Dr. M'Henry's in Calvert-street, besides a number of others in this city, which he had the misfortune to commence and the disgrace of seing discharged frem it before hab finished. The original enrichment he says he loaned to John Whit-lock, is in J. W's prissession; but it was given him by the person wan executed it, in the presence of Marks, who said "I was we come to it" It is of no use and has been put up in a deserving corner of the lot, and is ready for him whenev r he may call or send for it. The terms " Backhiters and Hypocrites" can be applied to us by him in on instance only-when we were called on to value his work, which was so hadly executed, that we could not, as honest men, admit his enormous charge. JOHN WHITELOCK.

WALTER PATTERSON.

OTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charlesstreet; but to promise to do wonders in behalf of my pupils, I have no need-it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies and Gentlemen of America, during more than 46 years, I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.
