STOP THE VILLAIN!
At some hour on Monday night last some one entered my cabin, at the head of Smith's dock, and took from thence my Coat and Pantaloons, and a Hat belonging to one of the people, and a pair of Shoes; the coat was of black broad cloth, with a black silk velvet collar, and a side pocket under the left arm, with a Red Morocco Pocket Book, containing 275 dollars in notes; the pantaloons were thicker, with some change in the pocket. I strongly suspect some of the scoundrels, as this is the third or fourth circumstance of the kind that has happened in that place within these few months. The above reward will be given for apprehending the said villain, with the property, so that he can be brought to justice by me, PETER CAULK, On board the schooner Rainbow

RAN away from the subscriber on the 21 instant, a Negro Man named DICK, 26 years of age, about five feet nine or ten inches high, straight built, his visage thin, he had his right leg broken above the ankle joint, which causes his leg to bow forward a little, but injures him otherwise but little; he has also lost one of his upper front teeth—Had on when he went away, a blue ground calico coat and fur hat, and other clothes not recollected, but suppose he had changed them. It is expected he will aim to go to Baltimore or the neighborhood of Owings's Mills, as he has some acquaintance there. Whoever secures the said Negro in any jail, so that I get him, shall receive the above reward, or if delivered to me, reasonable charges paid by the subscriber, living near Wheeling, in Ohio county, Virginia.

Veneral Complaints.
Omnibus ad quosque pervenit Saltem.
AS Dr. WARRNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the Veneral Disease in preference to any Medicine vended or known in Baltimore. Among the numerous cases of the most delicate females in very advanced stages of pregnancy, when to all human probability their being delivered must have been destroyed in the common mode of cure, there has never been an unfortunate termination. The advantages of medicine not in the least disagreeable to the taste or stomach, the ease to the patient without confinement or restriction in drink or diet, must be self-evident to all. As he has removed cases deemed incurable by the ablest physicians both of Europe and America—The Doctor solicits particularly the attention of those who have made in their trials with others. As Dr. Warner is in the daily habit of receiving communications from other cities, and sending medicine to them, he will attend to any letters, postage always being paid, as usual. Those who have injured their constitutions by impudence may be restored by a timely application. Many infants who have been born with this evil affliction, have been most effectually restored to health by the sales here. Masters of vessels and travelers may have their medicine so prepared, that a safe, efficient and expeditious cure will be made without any restrictions whatever. Cure is warranted in all cases.
Dr. Warner is removed to the corner of Cumberland Row and Water street, at the west end of the Marsh-market.

SHERIFFALTY.
BEALE SPURRIER,

Should the suffrages of his fellow citizens place him in office, he will keep in grateful remembrance the source from whence he obtained it, and, altho' he yet has not pledged to do, that his official conduct shall give universal satisfaction, is willing to say, that his discretionary powers shall be exercised with moderation, and that he never will be the instrument by which a sacrifice of feeling or property shall be made to gratify the caprice of any individual.

Notice.
IN consequence of recent losses and the failure of persons for whom I went security, I am reduced to the painful necessity of applying to the judges of Baltimore county court, for the benefit of an act passed at the last November session, for the relief of sundry insolvent debtors. My effects and book-debts, which will be faithfully and promptly surrendered to my creditors, will I trust, be found more than sufficient to extinguish all claims against me, for which I received any value: And, if the full and undisguised disclosure which I shall make of my affairs, will not shield me from the charge of imprudence it will, at least, from the imputation of dishonesty.

His clothes were numerous, among them was a blue cloth coat, a brown cloth coat rather rusty, though not much worn, a dove colored twilled nankeen coat, considerably faded from washing, the sleeves of which have been let out several handsome Marseilles vests of different patterns, all very short; shirts of the blue Irish linen; pantaloons and garters of India madder, very good, and of the present mode; a fashionable leather hat, quite new, maker's name in the crown, Wm. NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but to promise to do wonders in behalf of my pupils, I have no need—it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies and Gentlemen of America, during more than 46 years, I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.
