Philadelphia Packets..Old Line,

FRENCH-TOWN & NEW-C A Packet leaves the lower end wharf every day at 9 o'clock, A. M. (Saturday excepted.) These beats have accommodations for passengers equal to any others in the Chesapeake Bay; and the proprietors will make use of their utmost exertions for the convenience, comfort and dispatch of passengers going in this line. The most careful and experienced captains are employed, and the proprietors consider this route as having advantages over any other that can be established for carrying passengers and goods, by water and land, between Baltimore and Philadelphia-the land carriage being only 17 miles: they are the more confirmed in this opinion, having themselves made triat of the other places which are intended for that purpose.

The importance of thus shortening the land carriage, from 7 to 9 miles, must be obvious to every traveller. For freight or passage apply to the captains

ou board, or to WM. N'DONALD. No. 103, lower end of Bowly's wharf. N. B. The passage for the present will be lowered from \$3.75 to \$3, the whole route. d6t-2awlaD september 13
