STOP THE VILLAIN!!
A T some hour on Monday night last some one entered my cabin, at the head of Smith's dock, and took from thence my Coat and Pantaloons, and a Hat belonging to one of the people, and a pair of Shoes; the coat was of black broad cloth, with a black silk velvet collar, and a side pocket under the left arm, with a Red Morocco Pocket Book, containing 375 dollars in notes; the pantaloons was thickset, with some change in the pocket. I strongly suspect some of the scowmen, as this is the third or fourth circumstance of the kind that has happened in that place within these few months. The above reward will be given for apprehending the said villain, with the property, so that he can be brought to justice by me.

RAN away from the subscriber on the 2d instant, a Negro Man named DICK, 26 years of age, about five feet nine or ten inches high, straight built, his visage thin, he had his right leg broken above the ankle joint, which causes his leg to bow forward a little, but injures him otherwise but little; he has also lost one of his upper fore teeth—Had on when he went away, a blue ground calico coat and fur hat, and other clothes not recollectible, but suppose he will change them. It is expected he will aim to go to Baltimore or the neighborhood of Owings's Mills, as he has some acquaintance there. Whoever secures the said Negro in any jail, so that I get him, shall receive the above reward, or if delivered to me, reasonable charges paid by the subscriber, living near Wheeling, in Ohio county, Virginia.

GERMAN Evangelical Reformed Church LOTTERY.

THE subscribers having been appointed by the Members of the German Evangelical Reformed Church, of Baltimore, as Managers of a Lottery, authorized by the General assembly of Maryland and the corporation of the city of Baltimore, intended to raise a sum of money for the erection of a Parsonage and a School House, and to finish their House of Worship, offer to the public the following

Table with 2 columns: Prize amount and Quantity. Includes 1 prize of \$2,500, 2 of 1,000, 5 of 500, etc.

Sum raised, including expense, 48,000

12,000 Tickets, at Five Dollars each, 60,000
From the above scheme it appears that there are no blanks, and that the purchaser of tickets will have to pay no more than Two Dollars in advance on each ticket—and as the full price of each ticket is Five Dollars, there will remain due on each ticket Three Dollars, which will be retained out of the prize money.

The advantages offered to adventurers, and the object to which the money is principally to be applied, the managers hope, will produce such a speedy sale of tickets as may enable them to commence the drawing at an early day.

The prizes will be paid in sixty days after the completion of the drawing; and such as may not be demanded within twelve months will be considered as generous donations to the church.

Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies and Gentlemen of America, during more than 45 years, I ought to be a competent judge.
