RAN away from my service on the morning of Saturday the 16th instant, a Negro Man named EDWARD JOHNSON, but commonly called NED; he is supposed to be gone to the Eastern Shore, from whence he came, and where he had been permitted several times to go to see his friends. Edward is about 5 feet 10 inches high, straight and well made, has a good countenance, and is an active, smart fellow, about 24 years of age. He had on when he absconded a blue and fustian jacket, a pair of white pantaloons, white waistcoat and black hat; he has ever had in his possession some other clothes and he will probably change his dress.—He took with him a dark brown mixed cloth long coat and waistcoat, several pair of nankeen pantaloons. Ten dollars reward will be paid if he is taken and secured within the city or county of Baltimore; thirty dollars if without the city or county, but within the state of Maryland, and the above reward of fifty dollars if out of the state, and reasonable expenses for delivering him to me at Baltimore.

**50 Dollars Reward.**  
RAN away on Saturday the 25th inst. from the country residence of the subscriber, a Negro Man called PELLE, formerly owned by Mr. Joseph Young, of this city. He is about 5 feet 6 inches high, stout made, rather broad some than otherwise, has tolerable good teeth, was very lame when he went off, owing to the wheel of a carriage in cleaning it falling upon his foot; has a particular aversion to giving a direct answer; but always says, "I reckon," to every question the most positive; and is constantly talking to himself as if grumbling. His clothes were numerous, among them was a blue cloth coat, a brown cloth coat rather rusty, though not much worn; a drab colored twilled nankeen coat, considerably faded from washing, the sleeves of which have been let out several times; some Marselles vests of different patterns, all very short; shirts of the white Irish linen; pantaloons and gators of India make, very good, and of the present mode; a fashionable Beaver hat, quite new, of the same name as the town, Wm. Branson, Haver, 151, Market-street, Baltimore. The above reward will be given for apprehending said negro out of the state, and lodging him in jail so that I get him again; or thirty dollars if within the state. All masters of vessels and others are forewarned hiring or employing him under penalty of the law to its utmost extent.

He took with him a good many clothes, among which was a red kersey round jacket and trousers of the same; one pair of coarse country linen trousers; two shirts, and one Irish linen shirt; one spotted calico round jacket; one white Marselles under jacket, and some other clothing not recollected. The above reward will be given to any person that will secure the said mulatto in any manner, so that I get him, and all reasonable charges paid if brought home, by me.

RAN away from the subscriber on the 21st instant, a Negro Man named DICK, 26 years of age, about five feet nine or ten inches high, straight built, his visage thin, he had his right leg broken above the ankle joint, which causes his leg to bow forward a little, but he is otherwise well; he has also lost one of his upper front teeth.—Had on when he went away, a blue ground calico coat and fur hat, and other clothes not recollected, but suppose he will change them. It is expected he will aim to go to Baltimore or the neighborhood of Owings's Mills, as he has some acquaintance there. Whoever secures the said Negro in any jail, so that I get him, shall receive the above reward, or if delivered to me, reasonable charges, paid by the subscriber, living near Wheeling, in Ohio county, Virginia.

**French Night School.**  
NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but to promise to do wonders in behalf of my pupils, I have no need—it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies and Gentlemen of America, during more than 46 years, I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March.
