**Philadelphia Packets..Old Line,**  
VIA  
**FRENCH TOWN & NEW-CASTLE.**  
A Packet leaves the lower end of Bowly's wharf every day at 9 o'clock, A. M. (Saturday except d.) These boats have accommodations for passengers equal to any others in the Chesapeake Bay; and the proprietors will make use of their utmost exertions for the conveni-ence, comfort and dispatch of passengers going in this line. The most careful and experienced captains are employed, and the proprietors con-sider this route as having advantages over any other that can be established for carrying pas-sengers and goods, by water and land, between Baltimore and Philadelphia—the land carriage being only 17 miles; they are more confirm-ed in this opinion, having themselves made tri-als of the other places which are intended for that purpose.  
The importance of thus shortening the land carriage, from 7 to 9 miles, must be obvious to every traveller.  
For freight or passage apply to the captains on board, or to  
**WM. McDONALD,**  
No. 103, lower end of Bowly's wharf.
