" The Glatton, of 50 guns, is fitting with all; miles from the ocean, and that near initabliants dispatch for a foreign station; it is said that too. she is to take the three East Indiamen hat are i "Numerous are the insults and lesses we have here under convoy as far as Bengal Bay, and sustained from his Britanuic majesty's piratical then to proceed for Bouny Bay. The Royal cruizers, after they have committed murder, · George, of 110 guns, has still the signal for within our own waters and on one of our citisailing slying, and all the ships are at single an- zens. We are prepared to hear of additional chor ready for a start. General Sir Hugh Dal- degradations. rymple goes out in the Royal George; his stores were put on board yesterday."

The foreign intelligence received by the Currituck County, (N. C.) 08. 26, 1806. French papers yesterday, though it is well snough understood that all that comes through that channel, wherever it may be dated from, is of Parisian manusacture, had the essect to lower the funds a little. Nor are we surprited at it, for it is plain even from the care taken to give such intelligence a flavour suited to the French palate, that the French cabinet is under shor. Unprincipled ambition may furnish a gers, for their assistance during the gales on the considerable apprehensions that a war between France and Prussia, in which the latter will be assisted by Russia, and perhaps by other Powers, mind that can require to be avenged for the Liverpool.—Sarah Eliza, from Sayannah; is at no very great distance.

Lord Hawkesbury sailed on board the Thames frigate, a few days ago, in order to take a peep at Boulogne. His Lordship was yesterday landed at Deal, and was saluted with 15 guns from the frigate on leaving her.

We understand the remains of Mr. Fox will j lie in state three days, at his house in St. James's .- If the Prince of Wales does not follow him as chief mourner, Lord Holland will. His lordship issued cards of invitation to a number of dillinguished characters, to follow his illustrious uncle, as mourners. They include the whole of his colleagues in office: the Duke of Devonshire, the Marquis of Tavistock for his father the Dake of Bedford, the Marquis of Harringdon, Earl Percy, Lord W. Russell, Mr. Bying, and Mr. Whitbread. The whole number invited amount to about forty.

WHITEHALL, September 23. The king has been pleafed, by warrant under his royal figuet and fign manual, to give and grant unto Major General Sir John Stuart, honourable military order of the Bath) his Royal Licence and Permission to accept the title of Count of Maida in Calabria, conferred upon him by Ferdinand the Fourth, King of the Two Sicilies; And also to command that this his majesty's concession and declaration, together | Ject. with the relative documents, be registered in his College of Arms.

PLYMOUTH, Sept : 0 Orders me just received for the 45th and 87th regiments, which were ordered for the secret expedition, to fail directly in their transports, when the wind comes fair, to reinforce the army at Buenos Ayres, South America, under the command of that able Officer Major General Achmuty. In consequence of this order, ell is hurry and builde with these two regiments, which are in high order, and well appointed

American,

Commercial Duily Advertiser.

SATURDAY NOVEMBER 22, 1806

The ship Leander, captain Whitby, too well known here for the annoyance she gave to the American commerce whilst on the Halifax station, and for the murder of Pearce, arrived at Ports mouth on the 18th of September having been ordered home by the British government in consequence of the con duct just mentioned.

On the roth instant, captain Amos Stodart lest Carlitle (Penn.) with 137 troops, and directed his march to Pittsburg; from thence they are to descend the river to Fort Adams, Missippi Territory.

The brig Franklin, captain Smith, of and from Norfolk to Parbados, was captured by recollection of all, while one of the it me the French privateer Austerlitz, of 20 guns and 150 men, on the 4th of last month, in lat. 26, long. 67.

LOSS OF THE SCHOONER WASP.

We are sorry to announce the loss of the schooner Wusp, Captain Kemp, of truth of this remark ; for those who is a this port; she was drove out of Bussa terre, Guadalope, by a hurricane on the 9th of September. Capt in Jones, of the British schooner Polly, who arrived here from St. Kitts on Wednesday, informs that the vessel was picked up and towed into Nevis without having any person on board. Whether the crew have perished, or have been taken off, cannot now be said; we sincerely hope the latter has been the case.

Norfolk Ledger.

Case of the L'Impeteux-It will not be expected that we shall youch for the correctness of the fasts, which are flated in the following extrast of a letter to the Editor of this paper. We are personally unacquainted with the facts themselves or with the author who nar. rates them. But it will not be regarded as any weak evidence of the truth of his state. ments, that he has given us his permission to accompany them with the authority of his

We presume that the President will lay an authentic report of the facts before the next lestion of Congress. R [Enquirer. "I have seen in one of your papers of 23d

September, some remarks on the burning of the warming pans to the West-Indies, where French line of battle-ship L'Impeteux of 74 guns, by the British on the North Carolina | eles, and sold to good profit, is but one

" You seem to be destitute of accurate insormation with respect to the distance the L'Impeteux was from the land. She was unquestionably within less than a mile; a number of peo- phy, peculiar to himsles, led i im to beple have judged her within a half mile. The British commenced firing on her within four miles of the land, and continued it until she was on our thore, and her fails hauled down, they then let her on fire.

The ministerial editors in London, will no doubt, torture their imagination to find out some al principles. His reason lest him two pretext for the firing on and burning the L'Impeteux on our shore, or have her placed on a bar far distant from the land-and mistake a fand bar for the land. But there was no bar, reck, shoal, nor any thing of the kind in this case. She was within less than a mile of the Land when the fireck, and continued in that spot until the burned down. It is now settled by the law of nations, that every nation has jurisdiction over its sea coast the distance of a amper Frigate, fell se the distance of three of the building, &c.

I am Sir, Yours, &c. DAVID JONES."

the murder of the duke D'Enghein; but the linip's arrival at the Sandy-Hook.] flightest offence, by causing the unfortunate victim to be put to death, with only the mockery of a trial, can be actuated by nothing but a fixed disposition and habit of the most sanguinary and unrelenting tyranny. The unfortunate bookseller has lett a wife and six children. Slavish and abject must be the writer who can

a deed: depraved must be the soul that can

regard him without abhorrence. [Leverpool paper.]

A large fresh water pond, well stocked with cels on the south side of Staten Island, on Mr. Lake's farm and which has not been brim full of water for these 23 years past, overflowed in the late heavy rains .- The torrent broke its way through fields of corn and grass, pursuing a course more than two miles in length till it reached the bay. When the wa ter had ceased to flow, and not before, the people in the neighborhood were astonished to see the cels come out of the pond to follow without deviation the track Knight (whom his majesty has nominated to be | marked by the late stream all the way it one of the Knights Companions of the most the sea. This spontaneous emigratio? consisted only of full grown fish .- Many were knocked on the head; but the nu ber lost was very small if compared wit the vast multitude that succeed in its ob-

> Extraordinary as the above circumstance may appear, we believe it to be strictly true, and insert it for its novely, and to gratify those who may think an important fact in natural history not unworthy of preservation .--

New-York paper

DEPARTED tins life, at Newburyport, on Wednesday evening last, the noted Timothy Dexter, in the 90t . year of his ane-Self styled " Lord Dexier, first in the East." He lived pernaps one of the most eccentric men of his time. His siteulerities and peculiar notions | lurton. were universally provirbial. Born and bred to alow condition in hif, and his intellectual indowments not being of the

most exalted stamp, it is no wonder that splendid for une, which he acquired (though pernaps honestly) by dit to: speculation and good fortune, should ave rendered him in many r sp. cts tru. ridiculous. I be qualitie of his mind were of that indefinite cast, which forms an exception to every other character re corded in history, or known in this pre sent age, and " none but "ims. if coul... be his parallel." But among the mo., y groupe or his qualities, it would be injustice to say he possessed no good on s -he certainly aid. No one will i ch his honesty, and his numerous ac s of a evality, both public and private, or, i

in his last will will be gratefully r m bered. His ruling passion appeared to be popularity; and one would sup ove ne rather chose to lender his name is inf. mously lank us than of famous "all." His writings stand as a monunicut of ad his " Pickle for the knowing Ones"

jumble of letters promiscuously t rown together, find it difficult to determine whether most to laugh at the consummate folly, or despise the vulgarity a d profanity of the writer. His manner of like wa equally extravagant and singular. A lew years since he crecied in hon. of his nouse a great numb rot im ges of distinguished persons in Europe and America, together with wasts. & . so that his seat exhibiter more the appea ance of a moseum of artificial curiosnics than the welling of a amily. By his orders tomb was several years since dug, under his summer hous in his graden, where he desired his emains might be d posited, (but this singular request could no: consistently be complied with) and his coffin made and kept in the hall of his house, in which he is to be buried. The fortunate and singular manner of his peculations, by which he became possessed of a handsome property, are well known; and his sending a cargo of they were converted into mulisses la. of the most peculiar. His principles of religion, (if the y could be called principles), were equally odd; a blind philosolive in the system of transmigration, at some times; at others he poss ssed those closely connected with deism; but it is

days before his death. Newburyport Herald.

THE Friencis of Dr. Rattoone are requested to meet, the contributors to the new Episcop-I Church, at Mr. Decorrey's tavern, opposite to Christ Church at 6 o'clock, P. M. This Day; cannon fhor.
