Among those whose character, talents, labors and useful ess, will live in the memory of all the ensuing ages of the church, few modern Christians have stronger claims upon the attention of their successors than the Rev. John Wesley; whose extraordinary zeal, incessant exertions, unsullied purity of motive, indefatigable perseverance, unyielding fortitude, irreproachable uprightness and astonishing prosperity in the immaculate Jesus' cause, joined to the variety of his writings, the number of Christians who have united with the societies which he and his associates established, raise him to a very high rank among those who are born to dispel da kness from the human mind, and to disseminate the cheering and benign lustre of evangelica' day.

The progress of the M thodist Church in the United States is too important a topic to be omitted-hence Bishop As ury's relation of his ministerial employment and its blessed effects, has been consulted, and intelligent persers in the society have kindly communicated the result of their researches en this subject.

The general want of a portable relation of the founder of the Methodist Societies, and of the means which, used under the blessing of God, have rendered their members so numerous, authorise a presumption, that this review of Mr. Wesley's life will be acceptable to al those "who love our Lord Jesus Christ in sin-
