Notice.

IN consequence of recent losses and the failure of persons for whom I went security, I am reduced to the painful necessity of applying to the judges of Baltimore county court, for the benefit of an act passed at the last November session, for the relief of sundry insolvent debtors. My effects and book-debts, which will be faithfully and promptly surrendered to my creditors, will I trust, be found more than sufficient to extinguish all claims against me, for which I received any value: And, if the full and undisguised disclosure which I shall make of my affairs, will not shield me from the charge of imprudence it will, at least, from the imputation of dishonesty. DENNIS M'HENRY.

March Term, 1806.

ON application to the judges of the said county court, by petition in writing, of Corbin Preston, of said county, praying the benefit of the "act for the relief of sundry insolvent debtors," passed at November session, 1805, on the terms mentioned in the said act, a schedule of his property, and a list of his creditors on oath, as far as he can ascertain them, as directed by the said act, being annexed to his petition, and the said county court being satisfied by competent testimony, that the said Corbin Preston, has resided the two preceding years within the state of Maryland, prior to the passage of the said act. It is thereupon arijudged and ordered by the said court, that the said Corbin Preston, by causing a copy of this order to be inserted in one of the Baltimore papers twice a week until the first Saturday of the next ensuing March term, give notice for his creditors to appear before the said county court at the court house in said county, for the purpose of recommending a trustee for their benefit

Venereal Complaints.

Omnibus ad quos hæc pervenerint Salutem.

AS Dr WARNER's practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the Venereal Disease in preference to any Medicine vended or known in Baltimore Among the numerous cases of the most delicate females in very advanced stages of pregnancy, when to all human probability their tender offspring must have been destroyed in the common mode of cure, there has never been an unfortunate termination. The advantages of medicine not in the least disagreeable to the taste or stomach, the ease to the patient without confinement or restriction in drink or diet, must be self-evident to all As he has removed cases deemed incurable by the ablest physicians both of Europe and America The Doctor solicits particularly the attention of those who have made ineffectual trials with others. As Dr. Warner is in the daily habit of receiving communications from other states, and sending medicine to them, he will attend to any letters, postage always being paid, as usual Those who have injured their constitutions by imprudence may be restored by a timely application. Many infants who have been born with this evil affliction, have been most effectually restored to health by the subscriber Masters of vessels and travellers may have their medicine so prepared, that a safe, effectual and expeditious cure will be made without any restrictions whatever. Cure is warranted in all cases

Dr. Warner has removed to the corner of Cumberland-Row and Water-street, at the west end of the Marsh-market.
