French Night School.

NOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charles-street; but to promise to do wonders in behalf of my pupils, I have no need—it suffices to tell them that no language can be learned without grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies and Gentlemen of America, during more than 46 years, I ought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as possible, so that they may get some benefit of their studies by the 15th of March. JOSEPH PAILLOTTET. N. B. Private tuition, any hour during the day, so as to accommodate the different scholars who may apply. Dec. 16 d4m

To the Voters of the City and County of Baltimore.

THE subscriber being encouraged by a number of the disinterested supporters of the candidates, at the late election, is induced respectfully to renew his solicitations for your suffrages at the next election for the office of Sheriff. He returns his grateful acknowledgments to those friends who interested themselves for him in his late attempt, and assures them, that their generous support has excited those sentiments that link gratitude to kindness; and he flatters himself that by a continuation of their friendship, and the patronage of his fellow citizens generally, he will be enabled to obtain the office; and, if successful, will endeavor by rectitude of conduct, to give general satisfaction. Harford County.

ON application to the judges of the said county court, by petition in writing, of Corbin Preston, of said county, praying the benefit of the act for the relief of sundry insolvent debtors, passed at November session, 1805, on the terms mentioned in the said act, a schedule of his property, and a list of his creditors on oath, as far as he can ascertain them, as directed by the said act, being annexed to his petition, and the said equity court being satisfied by competent testimony, that the said Corbin Preston, has resided the two preceding years within the state of Maryland, prior to the passage of the said act. AN ADDITION OF 6000 Spelling Books, From the 4th and last English edition. BY LINDLEY MURRAY.

Author of English Grammar, Introduction to English Grammar, English Reader, Exercises, &c. &c. The above work is comprehended under THREE general divisions. One of the principal objects of the FIRST PART, is, to teach an accurate pronunciation of the elementary sounds, &c. The SECOND PART of the work affords the learner considerable aid in pronunciation, as well as in orthography. The words of two syllables are not only classed in chapters, according to their accent, but they are arranged in sections, adapted to the sounds of vowels and diphthongs, whether short, long, middle or broad. The THIRD PART consists of words less familiar to children than those of the preceding parts; of rules for spelling and pronunciation; and of miscellaneous chapters, calculated to give the learner a radical knowledge, and diversified views of the subject. The lessons for spelling, in every section, are illustrated by short appropriate reading lessons. The orthography of Johnson, and the pronunciation of Walker have been adopted in Murray's Spelling Book—and it is presumed they are authorities which few persons will be inclined to dispute. RAN AWAY from the subscribers, living in Baltimore, on Sunday morning, the 6th July, a negro man named ELIJAH. He is about twenty years of age, five feet, ten or eleven inches high; slender round the waist, but is a remarkable strong, big limbed fellow. He is a light black man; has a large flat nose, with very thick prominent lips; has his wool cut, so as to form a roll over the top of his head. He is a ready-witted fellow, smart in answering questions; when spoken to in a good humor, generally laughs, and shows a handsome set of teeth; walks with a long step, and rocking motion with his body. He has taken with him a variety of cloths, among which are a pair of nankeen pantaloons; coarse linen shirts and trousers; an oil castor hat, and a fustian round about jacket. We purchased him about 12 months since, of Mr. Richard Key Heath, acting as attorney of Susanna Wilson, of Kent county, to which place he has probably gone. Whoever will apprehend the above mentioned slave, and lodge him in any jail, so that we may get him again, shall receive 50 dollars, if taken in Maryland, and the above reward, if taken out of the said state, with all reasonable charges if brought home. FREEMAN & WATSON. N. B. Masters of vessels and others, are warned from harboring or carrying off said slave at their peril. October 15 2aw

Stop John Ernst

AND RECEIVE 100 Dollars Reward! JOHN ERNST hired a mare from me on Thursday the 27th of November, and engaged to return her in 7 days—and whereas said Ernst has not yet returned, and as there is good reason to believe he has run off with said mare, the above reward is offered for his apprehension. He undertook to collect moneys for several persons, and stated differently as to where he was going; but Little York, Carlisle and Lancaster were among the places mentioned. Ernst is a German, and sometime since kept bar in Mornewick's Hansatic Hotel. He is about 50 years of age, of slender make, and rather a miserable looking being, with small face, eyes sunk, cheeks hollow, and teeth remarkably long with scarcely any gums. The mare he has taken off with him was a mixed grey, with dark tail and mane; nearly full-blooded, 15 hands high, well made, and well gaited. The bridle was a Double straffle, one bit part chain. The above reward will be paid if Ernst and mare is returned to the subscriber in Baltimore; and 50 dollars if Ernst secured in any jail within 300 miles of said city. HENRY CROWL. Dec. 22 d4t

RAN AWAY from my service on the morning of Saturday the 16th instant, a Negro Man named EDWARD JOHNSON, but commonly called NED; it is supposed he is gone to the Eastern Shore, from whence he came, and where he had been appointed several times to see his friends. Edward is about 5 feet 10 inches high, straight and well made has a good countenance, and is an active, smart fellow, about 24 years of age. He had on when he absconded a short round fustian jacket, a pair of velvet pantaloons, white waistcoat and black hat; however he had in his possession some other clothes and he will probably change his dress. He took with him a dark brown mixed cloth long coat and waistcoat, several pair of nankeen pantaloons. Ten dollars reward will be paid if he is taken and secured within the city or county of Baltimore; thirty dollars if without the city or county, but within the state of Maryland, and the above reward of fifty dollars if out of the state, and reasonable expenses for delivering him to me at Baltimore. JOHN CAMPBELL WHITE. August 21. d

Veneral Complaints.

Omnia ad quos hoc pervenerint Solentur. AS DR. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the Veneral Disease in preference to any Medicine vendible or known in Baltimore. Among the numerous cases of the most delicate humors in very advanced stages of pregnancy, when to all human probability their tender offspring must have been destroyed in the common mode of cure, there has never been an unfortunate termination. The advantages of medicine not in the least disagreeable to the taste or stomach, the ease to the patient without confinement or restriction in drink or diet, must be self-evident to all. As he has removed cases deemed incurable by the ablest physicians both of Europe and America—the Doctor solicits particularly the attention of those who have made ineffectual trials with others. As Dr. Warner is in the daily habit of receiving communications from other states, and sending medicine to them, he will attend to any letters, postage always being paid, as usual. Those who have injured their constitutions by imprudence may be restored by a timely application. Many infants who have been born with this evil affliction, have been most effectually restored to health by the subscriber. Masters of vessels and travellers may have their medicine so prepared, that a safe, effectual and expeditious cure will be made without any restrictions whatever. Cure is warranted in all cases. Dr. Warner has removed to the corner of Cumberland-Row and Water-street, at the west end of the Marsh-market. Oct. 23 d

He has been and is yet a noted rogue. Upon when he went away a blue jacket, white drilling pantaloons, a white shirt of linen or cotton, and a new felt hat. Whoever apprehends the said fellow and secures him in jail, so that I get him again, shall have 10 dollars; and if bro't home all reasonable charges.
