## To the Public.

The Subscriber, who has been employed by several respectable characters of this city, for the purpose of arranging and closing accounts of Co-partnership, Accrued, &c., Estimating, examining and balancing Books of account, takes this method of offering his services to, and of informing the publick that he has opened an Office for the purposes stated. It is needless here to enumerate the many advantages to be derived from such an institution, as they are self evident both to the merchant and the tradesman; particularly to those who from multiplicity of business or other causes suffer accords to remain undivided and unsettled.

All debts belonging to the estates of deceased persons, &c., are fully, fairly and accurately stated.
