MARY A. PI
Of Georgetown,
RESPECTFULLY informs the public, that
she carries on business at her store on her
own account—That she is authorized to trade
in all respects as a *ferve sole*, wholly independ-
ent of her husband's control, and the present
effects in the store, are solely and exclusively
under her care and direction. The articles of
separation between her husband and herself,
and the power and authority to conduct business
for her own profit and emolument, have been
carefully drawn, and are recorded for public
inspection.
She solicits the patronage of a dis-
tinguished public, and will endeavor to give satisfaction
to all who honor her with their custom. All
debts due from the store will be paid by her
in due course.

To the Voters of the City and
County of Baltimore.
THE subscriber being encouraged by a
number of the disinterested supporters
of the candidates, at the late election, is in-
duced respectfully to renew his solicitations
for your suffrages at the next election for the
office of Sheriff. He returns his grateful ac-
knowledgments to those friends who interest-
edly assist him in his late attempt, and
assures them that their generous support has
excited those sentiments that link gratitude
with friendship. He flatters himself that by a con-
tinuation of their friendship, and the patronage
of his fellow citizens generally, he will be en-
abled to obtain the office; and if successful,
will endeavor by rectitude of conduct, to give
general satisfaction.

French Night School.
NOTICE is hereby given, that I the sub-
scriber, Teacher and Translator of the
French & English Tongues, have removed to
FRENCH NIGHT SCHOOL, in my own
dwelling, between Light street and Ches-
ter street; but to promise to do so in the
half of my pupils, I have no need—it suffices
to tell them that no language can be learned with-
out grammatical rules, and as for a translation
of the master and scholars must take a great
deal of pains; also, that every person is not
capable to learn a foreign language, those
impartial judges who know me will easily
agree, that after having taught the French lan-
guage to the most respected Ladies and Gen-
tlemen of America, during more than 36 years,
I ought to be a competent judge. I would ad-
vise those promising youths who will favor me
with encouragement, to apply as soon as pos-
sible, so that they may get some benefit of their
studies by the 15th of March.
JOSEPH PAILLOTTET.
N. B. Private tuition, any hour during the
day, so as to accommodate the different schol-
ars who may apply.

gibility or healthiness of the situation, as it is
not surpassed in either of these respects, by
any house in this city. To a person disposed to
rent or purchase, the terms shall be liberal and
accommodating. Application to be made to

To Merchants, Grocers, &c
A SITUATION wanted by an active young
MAN, of good address, who perfectly
understands the Grocery Business, and has
also a tolerable knowledge of the Dr. Goods
Business, writes a fair hand, and is a good
Accountant, and can procure the most satis-
factory recommendations for integrity, sobriety
and ability, wishes for an engagement in a
Counting House, or with a respectable Grocer,
or would act as an Assistant Book Keeper—
would have no objection to engage with a Dry
Goods Merchant; in either party he would
be found useful. An agreeable situation is
more an object to the advertiser than an emolu-
ment, therefore he will engage on the most
moderate terms. A personal interview will be

This day is finished,
AN ADDITION OF
6000 Spelling Books,
From the 4th and last English edition,
BY LINDLEY MURRAY.
Author of English Grammar, Introduction to
English Grammar, English Reader, Exer-
cises, &c. &c.
The above work is comprehended under
THREE general divisions. One of the principal
objects of the FIRST PART, is, to teach
accurate pronunciation of the elementary
sounds, &c.
The SECOND PART of the work affords the
learner considerable aid in pronunciation, as
well as in orthography. The words of two
syllables are not only classed in chapters, ac-
cording to their accent, but they are arranged
in sections, a part to the sounds of vowels
and diphthongs, whether short, long, middle or
broad.
The THIRD PART consists of words less
familiar to children, and those of the preced-
ing parts; of rules for spelling and pronuncia-
tion; and of miscellaneous chapters, calculated
to give the learner a rational knowledge,
and diversified views of the subject.
The lessons for spelling, in every section,
are illustrated by short appropriate reading
lessons. The orthography of *Johnson*, and the
pronunciation of *Walker* have been adopted in
Murray's Spelling Book—and it is presumed
they are authorities which few persons will be
inclined to dispute.
Also just received,
2000 copies of a New Spelling Book, called
THE PHILADELPHIA DILWORTH'S SPELL-
ING BOOK, IMPROVED.
The present edition being on the same plan
of a late Glasgow publication (with consider-
able improvements) is confidently recom-
mended to the serious attention of teachers, parents
and guardians.
On Hand,
A general assortment of SCHOOL BOOKS
and STATIONARY—which will be sold on
accommodating terms to those who buy for
retail.
All kinds of Book and Job Printing, Com-
mercial and Law Blank's, &c. &c. executed in
the neat manner of the established printers,
