French Night School.

TOTICE is hereby given, that I the subscriber, Teacher and Translator of the French & English Tongues, have resumed the FRENCH NIGHT SCHOOL in my common dwelling, between Light-street and Charlesstreet; but to promise to do wonders in behalf of my pupils, I have no need-it suffices to tell them that no language can be learned with. out grammatical rules, even as far as translation; the master and scholars must take a great deal of pains; also, that every person is not capable to learn a foreign language. Those impartial judges who know me will certainly agree, that after having taught the French language to the most respected Ladies and Gentlemen of America, during more than 46 years, Lought to be a competent judge. I would advise those promising youths who will favor me with encouragement, to apply as soon as pos-, sible, so that they may get some benefit of their studies by the 15th of March.

JOSEPH PAILLOTTET. N. B. Private tuition, any hour during the day, so as to accommodate the different scholars who may apply.

BY LINDLEY MURRAY:

cises, &c. &c. The above work is comprehended under THREE general divisions. One of the principal objects of the First Part, is, to teach an accurate pronunciation of the elementary

The SECOND PART of the work affords the learner considerable aid in pronunciation, as well as in orthography. The words of two syllables are not only classed in chapters, according to their accent, but they are arranged in sections, adapted to the sounds of vowes and dipthongs, whether short, long, middle or broad.

The THIRD PART consists of words less familiar to children than those of the preceding parts; of rules for spalling and pronunciation; and of miscellaneous chapters, calculated to give the learner a radical knowledge, and diversified views of the subject.

The lessons for spelling, in every section, are illustrated by short appropriate reading lessens. The orthography of Johnson, and the pronunciation of Walker have been adopted in Murray's Spelling Book-and it is presumed they are authorities which few persons will be inclined to dispute.

Also just received, 2000 copies of a New Spelling Book, called THE PHILADELPHIA DILWORTH'S SPEL-LING BOOK, IMPROVED.

The present edition being on the same plan of a late Glasgow publication (with considerable improvements) is confidently recommended to the serious attention of wachers, parents and guardians.
