6000 Spelling Books, From the 4th and last English edition. BY LINDLEY MURRAY:

Author of English Grammar, Introduction

The above work is comprehended under

The SECOND PART of the work affords the learner considerable aid in pronunciation, as well as in orthography. The words of two syllables are not only classed in chapters, according to their accent, but they are arranged in sections, adapted to the sounds of vowe's and dipthongs, whether short, long, middle or

The THIRD PART consists of words less familiar to children than those of the preceding parts; of rules for spelling and pronuncia- | broidery and Tambour of every descriptions tion; and of miscelianeous chapters, calculated to give the learner a radical knowledge,

and diversified views of the subject The lessons for spetting, in every section, are illustrated by short appropriate reading lessons. The orthography of Johnson, and the pronunciation of Walker have been adopted in Murray's Spelling Benk-and it is pr sumed ther are authorities which few persons will be inclined to dispute.

Also just received, 2000 copies of a N. w Spelling Book, called THE PHILADELPHIA DILWCKIR'S SPEL-LING BOOK, IMPROVED.

The present edition being on the same plan of a late Glasgion publication (with considerable in prov. ments) is confidently recommended to the serious attention of teachers, parents and geardians.
